PROGRAM SUMMARY

The ICF canoe sprint TIP program for European Olympic Qualifier and World Cup in Szeged 2021 was designed and managed to support TIP athlete's participation in these competitions and to guarantee the competition validations.

The support program was 9 days long, from 08.05.2021 to 16.05.2021.

It started on 8th of May (Saturday) with welcoming first participants and teams and finished 16th of May (Sunday) at the end of the World Cup competition. Overall all athletes and teams arrived without any problem entering to Hungary on schedule.

All training sessions were managed by participants according their national team coach's training program except Armenian team who have the ICF Team coordinator/coach program on preparation for competition - including technical sessions, specialized competition preparation, practicing starting gates, running cross training, stretching.

During preparation to the competition all logistics went according to the plan including boats allocation and set up of all equipments.

All participants were following their daily schedule on time – including transfer from / to regatta course using official shuttle bus service. Daily schedule included breakfast at hotel, morning training & lunch at competition venue, transfer back to hotel and rest, afternoon session at regatta course, transfer back and dinner at hotel.

Athlete were following daily routine as follows (from 8th to 12th):

06 :30 – 07 :30 *Breakfast at Hotel*

09 :00 *Departure from Hotel*

09 :30 – 11 :30 *Following daily training routine at racing venue*

11 :30 – 12 :30 *Lunch at regatta course*

12 :00 – 12 :30 *Departure from regatta course to hotel*

12 :30 – 15 :00 *Recovery time at hotel*

15 :00 *Departure from hotel*

15 :30 – 17 :00 *Following daily training routine at racing venue*

17 :30 – 18 :00 *Departure from regatta course to hotel*

19 :00 *Dinner at hotel*

19 :30 – *Recovery time at hotel*

During competition (Wednesday to Sunday) all athlete's followed their own daily routine and schedule due to different racing program.

By the ending of the program and competition all hired boats were returned without any reported problem.

Athletes completed the TIP program by following health and safety regulations without any injuries and health issues. All athletes had a positive and good attitude, discipline. All athletes followed ICF TIP coordinator instructions and were highly cooperative.
