# WILDWATER CANOEING COMPETITION RULES

**2019**

Supprimé: 2017

Taking effect from 1 January, **2019**

Supprimé: 2017

## **INTRODUCTION**

The purpose of this document is to provide the rules that govern the way of running Wildwater Canoeing ICF competitions.

## **LANGUAGE**

The English written language is the only acceptable language for all official communications relating to these Competition Rules and the conduct of all Wildwater Canoeing ICF competitions.

For the sake of consistency, British spelling, punctuation and grammatical conventions have been used throughout.

Any word which may imply the masculine gender, also includes the feminine.

## **COPYRIGHT**

These rules may be photocopied. Great care has been taken in typing and checking the rules and the original text is available on the ICF website [www.canoeicf.com](http://www.canoeicf.com). Please do not re-set in type without consultation.

# CHAPTER I - GENERAL REGULATIONS

## 1 AIM

[GR]

1.1 The object of Wildwater Canoeing is to demonstrate an athlete's mastery of his/her boat in fast moving white water, while running a prescribed course in the shortest possible time.

Supprimé: competitor

1.2 Races considered to be Wildwater Canoeing are those held from a point upriver to a point downriver. A river can be one that is natural, modified or artificial and must be at least class III in difficulty.

## 2 INTERNATIONAL COMPETITION

[GR]

[TR]

2.1 All competitions announced as international shall be governed by the rules of the ICF.

2.2 Competitions organised by a Federation or its affiliated associations are always regarded as international if foreign athletes are invited and participate.

Supprimé: competitor

2.3 An international competition must be supervised by at least one judge who holds a valid card as an International Judge Wildwater Canoeing (IJWWC).

2.4 These officials are appointed by the Chair of the WWCC from nominations submitted by the organisers.

2.5 Room and board for these officials is paid by the organising Federation.

2.6 International Competitions:

2.6.1 International Competitions are open to all Federations.

2.6.2 The start order for international competitions is taken from the current ICF Ranking.

## 2.7 Type of ICF competitions:

There are four levels of international competitions:

	Type of Competition	Competition	Entries
LEVEL 1 (see chapter IV and V)	ICF COMPETITION	ICF World Championships ICF Junior and U23 World Championships	4 boats per event per federation
LEVEL 2 (see chapter VI)		ICF World Cup	6 boats per event per federation
LEVEL 3 (see article 38.11.2)		ICF Ranking Event <i>(International event selected by ICF WWCC)</i>	To be determined by the organiser
LEVEL 4	International Competition	International event	

## 3 ATHLETES

[GR]

Supprimé: ¶  
COMPETITOR

3.1 Only the members of Clubs or associations affiliated with an ICF National Federation have the right to participate in an international competition.

3.2 An athlete is always allowed to take part individually in an international competition but must in each case obtain special permission from his National Federation.

Supprimé: competitor

### 3.3 Sporting nationality change

3.3.1 An athlete that has competed internationally at any level in the last 3 years requires authorisation from the ICF and the national federation of the original country in order to change sporting nationality.

3.3.2 For an athlete to be eligible for a change of sporting nationality they must have lived in that country for the last two years.

3.3.3 An athlete who is aged 18 or under can change sporting Nationality with the approval of the two national federations involved. He/she is not required to fulfil the two year residency rule.

3.3.4 The request of the change of sporting nationality must be made to the ICF by the new National Federation no later than 30 November the year before the athlete wants to compete.

Supprimé: 3.3.4

3.3.5 For the Olympic Games the Olympic Charter rules will be applied for nationality issues. For athletes to be eligible for the Olympic and Paralympic Games they must hold citizenship/nationality of the country that

they participate for at the time of the qualification event.

**3.3.6** An athlete may not compete for more than one Federation in any one calendar year in the sport of canoeing.

Supprimé: competitor

**3.4** The first year, a junior athlete can compete is the year that his 15<sup>th</sup> birthday falls in and the last year he may compete, as a junior is the year that his 18<sup>th</sup> birthday falls in. The last year he/she can compete in Under 23 category is the year that their 23<sup>rd</sup> birthday falls in.

Supprimé: competitor

**3.5** A master athlete can compete in a Masters event in a year that he or she reaches the lower limit of the age category. (e. g. in the 35-39 age group he/she is eligible in the year of his or her 35<sup>th</sup> birthday). In events that have more than one athlete in the boat the age of the youngest athlete will determine the category in which a crew can compete. Age group categories will commence from 35-39 years increasing in 5 year age groups (40-44, 45-49, etc).

## CHAPTER III - RACING ORGANISATION AND REGULATIONS OF THE COMPETITIONS

### 9 OFFICIALS

[GR]  
[TR]

Depending on its nature and importance, an International Wildwater Canoeing Competition is managed by the following officials:

#### 9.1 Jury

9.1.1 Every international Wildwater Canoeing competition must have Juries consisting of 3 members.

9.1.2 Jury members must be IJWWC.

9.1.3 The members of the Jury are named by the organising Federation on the basis of nominations received from the participating Federations.

9.1.4 A participating Federation may not have more than one Jury representative.

9.1.5 The Representative of the organising Federation shall preside over the Jury.

9.1.6 The Jury receives protests concerning non-observance of the rules of competition and makes the final decision in the event of disagreement concerning interpretation of the rules.

9.1.7 Decisions of the Jury must be in accordance with ICF rules.

Supprimé: Competition Committee

9.1.8 The Jury may disqualify an athlete for the entire duration of the competition.

Supprimé: competitor

9.1.9 The Jury decides on all questions raised during the competition that are not covered by the rules.

9.1.10 In the event of a tie vote, the Chair of the Jury decides.

## 9.2 Officials [GR]

9.2.1 International competitions are to be supervised by:

- 1) Chief Official
- 2) Technical Organiser
- 3) Chief Judge
- 4) Assistant Chief Judge
- 5) Section Judge
- 6) Start Judge
- 7) Pre Start Controller
- 8) Finish Judge
- 9) Boat Controller
- 10) Safety Officer
- 11) Medical Officer (only for World Championships)
- 12) Media Officer (only for world Championships)

9.2.2 Officials 1, 2, 3, 4 must be IJWWC.

9.3 The examination for International Judges (IJWWC) requires that the following conditions be met:

### 9.3.1 Examination:

#### A. Examination Organisation

- Officials Examination is organised at every World Championships if there is sufficient interest.
- In case out-of-World Championships examinations, only Continental Associations or National Federations are entitled to apply to hold an examination. This is done together with the application for the Competition Calendar using a form established by the ICF and published on the ICF website.
- Application deadlines are the same as for the International Competition Calendar. The Examination Calendar is published on the same date as the International Competition Calendar.

#### B. Examination Candidates

- Only National Federations are entitled to nominate candidates for examination at least 30 days before the examination.
- The applications must be sent to the ICF Headquarters on the special form designed by the ICF and published on the ICF website.
- ICF Headquarters is forming a database and forwarding the list of names to the Respectful Committee Chair.

### C. Examination Procedure

- A sub-committee consisting of two members, appointed by the ICF Technical Committee Chair, will hold this examination.
- The examination will be carried out in English language for officials who wish to be considered as officials for ICF Competitions and will be based on the knowledge of the ICF Statutes, the ICF Competition Rules and practical experience.
- If people take the examination in one of the other official languages, they may not be considered to officiate at ICF Competitions.

### D. Officials' Cards

- After completion of the examination the Respective Chair completes the ICF Official Examination Report and sends it to the ICF Headquarters, where the Official's cards for those who passed the exam are issued and sent to the National Federations.

### E. Validity and Renewals

- Validity and renewals are subject to the Technical Chairs' criteria. If the Officials' Card expires, is lost or destroyed a 20 Euro fee for renewal will be charged.

## 9.3.2 Financial Responsibility

**A.** National Federations are financially responsible for their Officials (before and after the examination).

**B.** For every candidate applied for the examination, a National Federation will be charged 20 €. Total Invoice will be sent to a National Federation in the period between 30 October and 30 November for the current year.

**C.** If a National Federation is applying for an examination out of World Championships, the Federation concerned will cover the examination organisation costs including living and travelling expenses of the examiners.

### 9.3.3 Nomination and Appointment of the Officials for ICF Events

- A. Only National Federations are entitled to nominate Officials for ICF Events.
- B. The deadline for submitting proposals is the 1<sup>st</sup> of January in the year of the event.
- C. The nominations are submitted to the Respective Technical Committee Chair (with a copy to the ICF Headquarters).
- D. The Chair will present a list of Officials to the Competition Commission for their approval by the 1<sup>st</sup> of March.

## 10 DUTIES OF OFFICIALS

[TR]

10.1 The Chief Official directs the competition according to the rules.

10.2 The Technical Organiser is responsible for:

- Local preparations for, and conduct of, the entire competition
- The installation and proper functioning of technical equipment required for the competition.

### 10.3 The chief Judge

10.3.1 The Chief Judge must assure that the competition is run correctly in keeping with the Competition Rules. He interprets the competition rules and may disqualify an athlete or grant a rerun.

Supprimé: competitor

10.3.2 The Chief Judge has the duty to interrupt the run/ competition due to unforeseen events or due to extremely harsh weather or water conditions which would be disturbing the regularly course of the run/ competition.

10.3.3 The Chief Judge must submit a report to the ICF Secretary General and to the Wildwater Canoeing Committee concerning the running of the competition.

### 10.4 The Assistant Chief Judge

10.4.1 The Assistant Chief Judge will closely co-operate with the Chief Judge and the Chief Official and will assist with the administrative tasks related to the competition especially judging locations and instructions to judges.

**10.4.2** He/she will assist in the formulation of the decisions of the Chief Judge regarding any protests and will oversee the recording and archiving of all relevant official forms.

**10.5** Section Judges are responsible for the portion of the course to which they are assigned.

### **10.6 The Starter**

**10.6.1** The Starter assures that the athletes are in the correct order and gives permission to start.

Supprimé: competitor

**10.6.2** He can refuse to start an athlete if the athlete:

Supprimé: competitor

Supprimé: competitor

- Fails to respect the safety rules.
- Fails to present himself at the start at the moment indicated after having been called.
- Is not properly dressed, has no start number or does not follow the Starter's orders. The starter has to interrupt the run due to the extreme water level changes or harsh weather conditions. He must immediately report the chief judge.

## 10.7 The Pre Start Controller

10.7.1 The Pre Start Controller confirms that both the athlete's boat and personal attire meet the safety rules (safety helmet, buoyancy jacket and boat). See Rule 18.

Supprimé: competitor

10.7.2 He checks the boat carries marks approved by the Boat Controller.

10.7.3 He prohibits the departure of athletes and of boats that do not meet safety requirements.

Supprimé: competitor

10.7.4 Any time lost because of the above goes against the athlete.

Supprimé: competitor

10.8 The Finish Judge determines when an athlete has finished the course and coordinates with the Starter.

Supprimé: competitor

10.9 The Timekeepers are responsible for keeping the exact time.

## 10.10 The Boat Controller

10.10.1 The Boat Controller assures that the dimensions and the weights of the boats in the competition conform to the rules. He marks them accordingly.

10.10.2 He also ensures that the boats and buoyancy jackets conform to Rule 18 and may mark them.

10.10.3 He may advise on the conformance of boats, paddles, clothing and accessories to Rule 7.2.

10.10.4 The boat controller may refer concerning the safety of equipment (including the boat) to the chief judge.

## 10.11 The Safety Officer

10.11.1 The Safety Officer, together with the rescue squad and according to the circumstances, rescues athletes who have capsized.

Supprimé: competitor

10.11.2 He must have available the necessary safety and first-aid equipment to use in the event of a serious accident, and he must render effective assistance to an athlete in difficulty.

Supprimé: competitor

10.11.3 A physician must be continuously available.

10.12 An official may assume two or more functions. No official may call to or in any other way give technical advice to an athlete while on the course.

Supprimé: competitor

10.13 There must be constant radio communication between Chief Official, Chief Judge, Assistant Chief Judge, Pre Start Controller, Start Judge and Finish Judge.

## 11 INVITATIONS

[GR]

Invitations to an International Wildwater Canoeing Competition must be sent 3 months before the competition and must contain the following information:

- The date, place and type of competition
- A description of the course
- Training dates when rescue teams are present.
- The approximate hour and order of the starts of the runs
- The categories
- Details of the nature of the course and character of the water (difficulty rating)
- Safety measures
- The address to which entries should be sent
- Amount of entry fee, if any
- The final date for entries
- List of challenges, prizes and conditions under which they are awarded

## 12 ENTRIES

[GR]

### 12.1 Nominal entries for ICF competitions (level 1 to level 3):

12.1.1 Entries will only be accepted from member Federations of the ICF.

Supprimé: to an international competition

Supprimé: must be made by a Federation according to the instructions given in the invitation.

12.1.2 An entry must contain:

- Name of the Federation to which the athletes belong
- First and last name, the fastest athlete in first place
- The events in which the athletes or teams wish to take part
- The first and last name of team manager, IJWWC and other personnel

Supprimé: or Club

Supprimé: competitor

Supprimé: competitor

Supprimé: categories

Supprimé: competitor

12.1.3 Nominal entries must be made on the ICF online entry system in accordance with the regulations given in the invitation.

12.1.4 The deadline for nominative entries shall be 14 days prior to the first day of the competition.

12.1.5 In extraordinary circumstances, an application can be made to the WWC Technical Committee Chair for the acceptance of late nominal /numerical entries from National Federations.

### 12.2 Nominal entries for International Competitions (Level 4) and Masters competitions:

12.2.1 Individual entries can be accepted.

12.2.2 Entries must be made in writing or online in accordance with the regulations given by the organising Federation in the invitation. These entries must be confirmed immediately in writing.

Supprimé: may

Supprimé: by email or fax

Supprimé: if they have been sent by midnight of the deadline date. These entries must be confirmed immediately

12.2.3 An entry must contain:

- Name of the Federation or Country to which the athletes belong
- First and last names for each athlete
- The events in which the athletes or teams wish to take part

## 13 ACCEPTANCE OF ENTRIES

[TR]

The organising Federation must acknowledge receipt of the entries within 2 days.

## 14 THE START ORDER

[TR]

14.1 In the individual events starts will be in reverse order of current ICF Ranking.

14.2 Where an athlete is not in the current ranking, then he will start at the beginning of the category.

Supprimé: competitor

14.3 In Junior and Under 23 categories, the start order is based on the reverse order by Federation at the previous Junior and Under 23 World Championships.

14.4 In the team events the starting order is taken from the average results of the best three athletes of each Federation in each category, from the Classic Race and from the sprint races respectively. The starting order is

Supprimé: competitor

the reverse order of these average results. In anomalous cases the team/s will start at the top of the list.

## 15 COMPETITION PROGRAMME

[TR]

15.1 At least 24 hours before the beginning of the competition, a final programme must be available to each participating Federation, giving the name of the participants with their Federation or Club, as well as the result of the draw.

15.2 In organising the programme, the following principles should be followed:

Supprimé: ¶

- The individual categories are run before the team categories.
- The runs of an individual category must be completed during a single day.
- The order of the races announced in the invitation, and the intervals between races announced in the programme of competition are binding on the organisers.
- Modifications may not be made unless the majority of the team managers give their approval.
- Sprint Races may be held on one or two days. For those held over two days, it is preferable that two categories run their two legs of the race the first day, and the two other categories the next day.

15.3 If a WWC event is not completed due to cancellation, the Jury and Chief Judge can in these exceptional circumstances establish the final results of the competition based on the last completed phase of the event.

Supprimé: <#>Team races in ICF and International Competitions consist of two (2) runs, and may be reduced to a single run.¶

## 16 ALTERATION AND WITHDRAWAL OF ENTRIES

[TR]

16.1 Announcement of changes or withdrawals must be made during the team managers' meeting, or in writing at least 1 hour before the first race of the programme on the day of competition.

16.2 Withdrawal of an entry is final and re-entry of the same athlete or team is not possible.

Supprimé: competitor

16.3 Any change of entry must be communicated to the Starter in writing.

## 17 START NUMBERS

[TR]

Supprimé: ¶

- 17.1 Start numbers must be supplied by the organisers.
- 17.2 The number figures must be at least 15 cm in height and 1.5 cm in thickness.
- 17.3 They should be fixed visibly to the body of the athletes.
- 17.4 In C2 the bowman wears the number.
- 17.5 Each athlete is responsible for his start number.

Supprimé: competitor

## 18 INSTRUCTIONS TO TEAM MANAGERS

[TR]

- 18.1 Each team manager must receive, at least 5 hours before the beginning of the competition, written directions concerning the following points:
- A list of the start orders
  - Detailed timetable
  - Time that the course opens
  - Starting time
  - Position of the starting line
  - Position of the finish line
  - The interval between starts
  - The signal used by the Starter to give the start, and that employed by the Judges to clear the course (whistle)
  - Place where the competition office and the Jury (only at World Championships) may be found
  - The time and place for the inspection of boats
  - Manner in which the boats are to be transported from the finish back to the start, if appropriate
  - Regulations concerning training
  - Place for Anti-Doping Control (when required)
- 18.2 A meeting of the team managers from each participating Federation must be held at least one (1) hour before the start of the official training. The following points should be discussed:
- Additional instructions to athletes
  - Approval of the course
  - Changes and/or withdrawal of entries

Supprimé: competitor

## 19 SAFETY MEASURES

[TR]

Supprimé: ¶

19.1 All boats must be made unsinkable (stability walls can be added to complement the flotation devices) and be equipped at each end with a handle attached no more than 30 cm from the bow and from the stern.

### 19.2 The handles

19.2.1 The following are considered as handles: loops of rope, with handles, or a handle that is an integral part of the boat construction

19.2.2 The handles must at all times permit easy insertion of a template which measures 10cm x 10 cm x 1.5cm.

19.2.3 The material used must be at least 6 mm in diameter, or a minimum cross-section of 2 x 10 mm.

19.2.4 Taping of the handles is not permitted.

### 19.3 The air bags

19.3.1 All boats must be fitted with **fully inflated** air bags in both the front of the boat (in front of the foot-rest) and the back of the boat (behind the seat).

19.3.2 The minimum total volumes capable of being contained in the air bags are to be as follows:

	Front	Back
K1	30 litres	50 litres
C1	40 litres	50 litres
C2	60 litres	60 litres

19.3.3 The volumes will be taken from the manufactures stamp on the air bags. In case of dispute, the first decision shall be taken by the Boat Control Judge and the second decision if appealed by the Jury.

19.4 Each **athlete** must wear shoes, a safety helmet with a strap fastened under the chin and a buoyancy jacket. Both must be in good working condition. The structure, shape or composition of the buoyancy jacket/helmet must not be modified in any way. The products must be from recognised and established manufacturers guaranteeing the quality of material and meeting industry standards.

Supprimé: ¶

Supprimé: competitor

## 19.5 The buoyancy jacket

**19.5.1** A buoyancy jacket must comply with the current industry standard that is, EN ISO 12402-5 (Level 50) or any national standard that meets the same requirements.

**19.5.2** At a competition the buoyancy jacket's uplift will be tested using a 6.12 Kg calibrated stainless steel weight or its equivalent in other metals.

**19.5.3** The buoyancy jacket manufacturer markings and identification must comply with the EN ISO (or equivalent national standard) standard to allow the control of equipment by ICF officials. This applies to all sizes of buoyancy jacket regardless of body weight.

**19.5.4** Testing process at ICF Races:

- The buoyancy jacket must not be modified in any way.
- The buoyancy jacket must be EN ISO 12402-5 (Level 50) (or equivalent national standard) approved and carry the appropriate labeling.
- The buoyancy jacket must float the 6.12kg calibrated stainless steel weight.

## 19.6 The safety helmet

**19.6.1** The safety helmet must comply with EN 1385.

**19.6.2** Each helmet shall be marked in such a way that the following information is easily legible for the user, and is likely to remain legible throughout the life of the helmet to allow the checking of the equipment by ICF Officials.

**19.6.3** Testing process at ICF Races:

- The helmet must not be modified in any way.
- The number of the European Standard;
- The name or identification mark of the manufacturer;
- The date of manufacture;
- The designation "Helmet for canoeing and wildwater sports".

**19.7** All athletes must wear the shoes on their feet. The shoes must have a thicker sole to protect the feet. The shoes must fit in such a way that they will not come off in a capsize or be released from a boat.

Supprimé: paddler

19.8 It is recommended that organisers spot-checks at both start and finish to ensure conformance with rules 7, 18.1 and 18.2.

19.9 In doubtful cases, buoyancy of the boat is checked. The boat must float level at the surface when filled with water.

19.10 Athletes must be able to free themselves immediately from their boat at all times.

Supprimé: Competitor

19.11 In the event of non-observance of the safety rules, the Starter, the Pre Start Controller, the Boat Controller and the Chief Judge each, according to their assigned duties, are responsible to prohibit an athlete from starting.

Supprimé: competitor

19.12 In any event, athletes start at their own risk, neither the ICF nor the organisers bear responsibility for accidents or damage to equipment that may occur on the competition course.

Supprimé: competitor

## 20 COURSE

[TR]

20.1 The course must be from a point upstream to one downstream.

20.2 The course must be navigable for its entire length, always allowing easy passage for the boat.

20.3 Two course types are possible:

- Wildwater Canoeing Sprint Race
- Wildwater Canoeing Classic Race

20.4 The Sprint Course can vary from 200m to 600m.

20.5 The Wildwater Canoeing Classic course is to be less than 60 minutes. The starts can be either individual, mass start, pursuit for team or individual event.

Supprimé: less than 30

Supprimé: are individual type, and/or Team

20.6 At the Team Managers meeting before the beginning of the competition, the course must be approved by a simple majority of those present. If the course is not approved, the competition may be moved to an alternate course.

20.7 WK1, WC1, WC2 and Juniors may have a shortened course if a majority of Team Managers so demand.

Supprimé: W

Supprimé: W

Supprimé: W

**20.8** Dangerous passages may be marked with gates to indicate the correct channel.

**20.9** Portages are not allowed.

## 21 TRAINING

[TR]

**21.1** Training runs must be provided at least one day before the competition and under the same technical conditions that will prevail during the competition.

**21.2** The water level during the official training must, except for circumstances beyond control, be the same as during the competition.

**21.3** The running time may be recorded and posted during training runs.

**21.4** Once the bibs are distributed to each Federation, it is mandatory that all athletes wear them when training or racing.

## 22 START

[TR]

**22.1** Starts may be directly upstream or downstream.

**22.2** An athlete is on the course after he leaves the starting position.

Supprimé: competitor

**22.3** Each boat must be held at the starting position until the start by an assistant to the Starter.

**22.4** Only standing starts are permitted. The start will be indicated by an audible signal.

**22.5** For a team start all boats are released at the audible start signal, all athletes must pass through the start line within 10 seconds of the release.

Supprimé: competitor

**22.6** If some natural disaster, or unforeseen circumstance including water level issues occur and the time at the start will not allow the athletes to pass the start line within 10 seconds, the time can be changed - this is the right of the majority of the team leaders present.

Supprimé: competitor

**22.7** If the team will not pass the start within 10 seconds from the release, they will be disqualified.

### 22.8 Definition of a start line:

- In the case of a gate, the passage is through the gate;
- In the case of crossing a river beam, it is the line between the beams.

22.9 In any case, any special instructions of the starter must be adhered to.

22.10 Categories may be started in any order with an appropriate time interval between categories.

## 23 START ORDER

[TR]

### 23.1 Wildwater Canoeing Sprint

23.1.1 For each Wildwater Canoeing Sprint events each category will have a definite start time for each run.

23.1.2 The individual start times within each category will be variable and as directed by the starter at the time of starting.

### 23.2 Wildwater Canoeing Classic

23.2.1 In individual categories the starts are separated by at least 30 seconds.

23.2.2 In team categories starts are separated by at least 1 minute.

23.2.3 The start intervals are normally the same for the entire competition. Intervals may be varied to accommodate Television live coverage etc.

## 24 FALSE START

[TR]

24.1 Only the Starter is qualified to determine that a false start has occurred and to recall the athlete by means of an appropriate signal.

Supprimé: competitor

24.2 The Starter determines if a second start is given and notifies the Chief Judge.

## 25 FINISH

[TR]

Supprimé: ¶

25.1 The finish line must be marked very clearly on both sides.

25.2 An athlete's run is complete when he crosses the finish line. He must not cross the finish line more than once at the risk of disqualification.

Supprimé: competitor

25.3 In the team event all 3 boats must cross the finish line within 10 seconds of each other. If the team will not pass the finish line within 10 seconds they will be disqualified for that run.

Supprimé: .....Saut de page.....

## 26 CLEARING THE COURSE

[TR]

Any athlete overtaken by another athlete shall allow the overtaking boat free passage if the overtaking athlete shouts "FREE".

Supprimé: competitor

Supprimé: competitor

Supprimé: competitor

## 27 RESCUE OF AN ATHLETE IN DANGER

[TR]

Supprimé: COMPETITOR

Since Wildwater Canoeing competition is as much a contest against the elements as against other athletes, it is required that any athlete finding another in real danger, must immediately render him rescue assistance at pain of disqualification for life.

Supprimé: competitor

Supprimé: competitor

## 28 LOSS OR BREAKAGE OF PADDLE

[TR]

28.1 When an athlete breaks or loses his paddle, he may use only the extra paddle carried on his boat.

Supprimé: competitor

28.2 For team runs, an extra paddle may be borrowed from another member of the team.

## 29 CAPSIZE

[TR]

An athlete may get back in his boat after a capsize and continue the competition.

Supprimé: competitor

## 30 TIMING

[TR]

Supprimé: ¶

**30.1** The time of a run is measured from:

**30.1.1** The time that the athlete's body first crosses the starting line to the time when the finish line is broken by the athlete's body (in C2, the first body that crosses the line).

Supprimé: competitor

Supprimé: competitor

**30.1.2** In team racing, the time is measured from the departure of the first boat until the arrival of the last boat.

**30.2** Timing of each run for each race must be accurate to at least 1/100th of a second, and the results must be reported to the nearest 1/100th of second. (Example: WWC - Sprint: running time of 1 minute, 30 and 5/100th seconds would be reported as 1:30.05 minutes; WWC - Classic: running time of 14 minutes, 30 and 5/100th seconds would be reported as 14:30.05 minutes)

## 31 POSTING OF RESULTS

[TR]

Supprimé: competitor

**31.1** As soon as the results for an athlete or team are known, the start number and the time of the run should be announced and must be posted in the designated place until the time for filing protests has elapsed.

**31.2** The following notations will be used in reporting the results:

- Athletes/Teams with a valid result in at least 1run should be sorted normally.
- Athletes/Teams must have a valid result to progress to the next competition phase.
- Athletes/Teams with Invalid Result Mark (IRM) are sorted in the following order:
  1. DNF
  2. DSQ-R
  3. DNS
  4. DQB
- Athletes/Teams marked as DQB are disqualified from the entire competition
- Athletes/Teams marked as DQB:
  - Should not be shown on any of the intermediate outputs.
  - Should be shown only on the Final Results List, last on the list without rank or results
- Athletes/Teams marked as DNF and DSQ-R are ranked

- Athletes/Teams marked, as DNS and DQB are not ranked
- Athletes/Teams receiving an IRM in one of their Heat runs are sorted by their best valid result (except in the case of DQB).

**31.3** Should two or more Athletes/Teams receive the same IRM, they will be sorted by ICF Wildwater Canoeing Ranking within the same IRM group.

**31.4** After the Heats, Athletes/Teams with two different IRM's will be ranked/sorted according to their best run IRM (except in the case of DQB)

## 32 DEAD HEAT [TR]

**32.1** In the Classic event that two or more athletes or teams obtain the same result, a tie is declared.

Supprimé: competitor

**32.2** In the sprint event with two runs that two or more athletes or teams obtain the same result, a tie is declared.

Supprimé: competitor

**32.3** In the individual sprint event with heats and a final see Rule 37.2.1.

## 33 PROTEST [GR]

**33.1** A protest is considered only when:

- The Team Manager submits it in writing
- It is submitted no more than 20 minutes after the official posting of the results for the last athlete in the category.
- It is submitted personally to the Chief Judge and is accompanied by a deposit of 75 Euros, or the equivalent in the currency of the country organising the competition. The deposit is returned if the protest is upheld. If the protest is not upheld, the deposit is turned over to the Organising Committee of the competition.

Supprimé: competitor

**33.2** A protest can be lodged against a decision of a judge:

- For a decision that is probably or manifestly erroneous.
- For obvious irregularity in the conduct of the competition

**33.3** The Chief Judge evaluates the legitimacy of a protest. He listens to the testimonies of the Judges and informs himself of any other matters in dispute. The Chief Judge transmits his decision in writing.

**33.4** At the discretion of the Chief Judge, inquiries into matters of fact or technical errors may be dealt with as simple inquiries (with no fee).

## **34 APPEAL TO THE JURY**

**[GR]**

**34.1** An appeal to the Jury must be made in writing by the Team Manager.

**34.2** An appeal to the Jury must be accompanied by a deposit of 75 Euros, or the equivalent in the currency of the country organising the competition. The deposit is returned if the appeal to the Jury is partially or totally upheld. If the appeal to the Jury is not upheld, the deposit is turned over to the Organising Committee of the Competition.

**34.3** An appeal to the Jury against a decision of the Chief Judge can be made when it appears that there is a contradiction with the rules of competition.

**34.4** Items of fact cannot be contested by an appeal to the Jury.

**34.5** An appeal to the Jury against a decision made by the Chief Judge during the running of the competition can be submitted at the latest, 20 minutes after the latter has announced his verdict.

**34.6** An appeal can be made to the Jury protesting the right of an athlete to participate in a competition if this protest has been given to the Competition Organiser at least an hour before the beginning of the competition, but no decision has been made on the subject.

Supprimé: competitor

**34.7** An appeal to the Jury against a decision on the right of an athlete to participate in a competition can be made until the beginning of the competition.

Supprimé: competitor

**34.8** The Chair of the Jury must immediately reconvene the Competition Committee if a legitimate appeal needs to be dealt with.

**34.9** The Jury must make its own decision known within 60 minutes after the commencement of the meeting.

34.10 The decision of the Jury is indicated with justifying arguments in writing to the complainant.

34.11 The Jury should consult the Chief Judge, the Judges and other officials in order to obtain the necessary information to come to a decision.

## 35 APPEAL TO THE ICF BOARD OF DIRECTORS [GR]

Supprimé: ¶

35.1 A participating Federation can appeal to the ICF Board of Directors if, after the end of the competition, new facts become known that would have prohibited the participation of an athlete.

Supprimé: competitor

35.2 An athlete has the right to submit through his Federation an appeal to the ICF Board of Directors against a decision of the Competition Committee at the competition.

Supprimé: competitor

35.3 The ICF Board of Directors determines priority to give to this proposal.

35.4 An appeal to the ICF Board of Directors must be:

- Settled within 30 days following the end of the competition in question.
- Accompanied by the same deposit defined in Rule 33.1.1.

35.5 The ICF Board of Directors makes its decision and addresses it in writing to the complainant party.

## 36 DISQUALIFICATION FOR THE RUN [TR]

36.1 If an athlete starts in a boat, which does not conform to the rules, he is disqualified for that run (DSQ-R).

Supprimé: competitor

36.2 An athlete who accepts outside assistance can be disqualified for that run by the Chief Judge after the latter has been informed by the official judging the situation. (DSQ-R)

Supprimé: competitor

36.3 In the spirit of this article, the following is considered as "outside assistance":

- All aid given to an athlete or to his boat
- Giving, passing, or throwing to an athlete a spare paddle or his original lost paddle

Supprimé: competitor

Supprimé: competitor

- Directing, pushing, or placing in movement a boat by anyone other than the athlete himself
- Giving directions to athletes by means of electro acoustic apparatus or radiotelephone (e.g. radiotelephone between the athlete and any other person)

Supprimé: competitor

Supprimé: competitor

Supprimé: competitor

36.4 An athlete who is not ready to start as scheduled can be disqualified for the run if there is negligence on his part. (DSQ-R)

Supprimé: competitor

36.5 Crossing the finish line upside down disqualifies the run. The boat is considered upside down when the body of the athlete is entirely under water. (DSQ-R)

Supprimé: competitor

36.6 If the team will not pass the start within 10 seconds, they will be disqualified for the run. In the team event, failure of all three boats to cross the finish line within 10 second results in disqualification for the run (DSQ-R).

## 37 DISQUALIFICATION FOR THE WHOLE COMPETITION

[GR]

37.1 An athlete who attempts to win a competition by irregular means, who breaks the rules, or who contests their validity, is disqualified for the competition.

Supprimé: competitor

37.2 If an athlete is forced to break the rules by the action of another person, the Jury decides if he will be disqualified or not for the competition.

Supprimé: competitor

37.3 Any athlete or official whose behaviour is detrimental to the good order and conduct of the competition may be disciplined by the Chief Judge. Notice of this must be referred to the Jury, who may after repeated action by the offender, disqualify him for that competition.

Supprimé: competitor

37.4 For disqualification after competition caused by doping or ineligibility the following must be completed:

- erase all achieved results and rankings of boat(s)(DQB);
- re-calculate results accordingly; and
- produce the revised version of all affected outputs (results, summaries, medals).

Déplacé (insertion) [1]

## 38 ANTI-DOPING

[GR]

38.1 Doping as defined in the Olympic Movement Anti-Doping Code is strictly forbidden.

38.2 Anti-Doping control shall be conducted in accordance with the ICF Anti-Doping control regulations under the supervision of the ICF Medical & Anti-Doping Committee.

38.3 Athletes entered in any ICF competition or Continental Championships will be required before competing to complete the ICF's Anti-Doping Education Programme or equivalent following ICF requirements.

## CHAPTER IV - SPECIAL RULES FOR WORLD CHAMPIONSHIPS

### 39 ORGANISATION

[GR]

**39.1** World Championships are only organised upon the authority of the ICF Board of Directors and only in the categories given in the competition rules.

**39.2** Championships shall be open to athletes from all continents but only of National Federations, which are members of the ICF.

Supprimé: competitor

**39.3** World Championships in Wildwater Canoeing (Sprint) are held every year. The place and date is determined by the ICF Board of Directors in accordance with ICF Competition Rules.

**39.4** Masters World championships can be organised in wildwater canoeing. Age groups can start at +35 years of age. The ICF Board of Directors can determine the events based on recommendation of the WWCC.

**39.5** World Championships in Wildwater Canoeing (Classic) are held every two (even number) years. They are held in conjunction with the World Championships in Wildwater Canoeing (Sprint). The place and date is determined by the ICF Board of Directors in accordance with ICF Competition Rules.

**39.6** A valid World Championships is held only if six (6) Federations from at least three (3) Continents start overall in the competition. At the World Championships an individual or team event cannot take place unless athletes from at least six (6) Federations start in the events. If during the course of the event some Federations drop out or do not finish, the validity of the Championships is not affected.

Supprimé: competitor

### 40 PARTICIPATION

[TR]

At the World Championships, a federation is entitled to enter up to four (4) boats in each category. These 4 boats are able to participate in sprint and classic events.

**41 CATEGORIES/ MK1, WK1, MC1, WC1, WC2, AND MC2, [GR]**

41.1 Individual Classic Events and Individual Sprint Events:
