

WORLD GAMES – KAOHSIUNG

30. DOPING CONTROLS

Authority to test

Pursuant to the IWGA Anti-Doping Rules, all athletes participating in The World Games shall be subject to In-Competition Testing for the duration between their official registration at the Games and the Closing Ceremony of the Games. The authority to conduct and perform testing is with International World Games Association (IWGA), Kaohsiung Organizing Committee and Chinese Taipei Anti-Doping Agency (CTADA) affiliated to Chinese Taipei Olympic Committee.

The chair of IWGA Medical Committee or his/her representative is responsible to oversee all Anti-Doping Testing during the World Games.

Testing Standards

The testing conducted during the 8th World Games Kaohsiung under supervision of IWGA Medical Committee shall be in conformity with the International Standard for Testing in force at the time of testing.

Doping Control Center

The doping control center will be established in accordance with the instruction and guidelines of IWGA Medical Committee.

Analysis of Samples

All samples of athletes will be collected based on the doping control procedures in accordance with International Standard for Testing, and will be analyzed in a WADA-accredited laboratory, in this case, the laboratory in Tokyo, Japan shall apply.

Therapeutic Use Exemption (TUE)

Any participating athlete requires a Therapeutic Use Exemption (TUE) shall file the application together with medical documents required to IWGA Medical Committee for approval twenty-one (21) days before the Games.

Governing Rules

The IWGA Anti-Doping Rules shall be applicable during the World Games, whereas the World Anti-Doping Code shall apply.

Doping Control Guide for World Games approved by the IWGA Medical Committee will be available for all participating delegations before their departure for the Games. Test Distribution Planning will be elaborated by the IWGA Medical Committee, which shall be followed by CTADA under the authority of IWGA and Kaohsiung Organizing Committee.
