CHAPTER 1 - SPORT GOVERNANCE

1.1 - INTERNATIONAL COMPETITIONS

[CR]

1.1.1 - All competitions announced as international must be governed by the rules of the ICF.

1.1.2 - Competitions organised by a National Federation, or its affiliated associations are regarded as international if foreign athletes / teams are invited.

1.1.3 - Canoeing competitions in regional, continental, and multi-sport Games must be organised under the ICF rules for World Championships for that discipline.

1.1.4 - The Olympic events should be used as a base for the competition programme in continental games.

1.1.5 - The organisation and programme of canoeing in multi-sport games on a world level must be approved by the ICF and for continental level by the relevant continental association.

1.2 - INTERNATIONAL COMPETITION CALENDAR [CR]

1.2.1 - The international competition calendar of each discipline is organised in four (4) levels:

	Type of competition	Competition
Level 1	ICF competition	ICF World Championships
Level 2		ICF World Cups
Level 3		ICF World Ranking competitions
Level 4	<ul style="list-style-type: none">• International competitions• Masters or open competitions• Invitational competitions	

1.2.2 - Only a National Federation, associate member, or a continental association of the ICF may apply for a competition to be entered into the ICF calendar.

1.2.3 - A calendar application for an international competition level 1 and level 2 is outlined in the ICF statutes.

1.2.4 - A calendar application for an international competition level 3 (if applicable) and level 4 can be made by the following process:

1.2.4.a A calendar application is made directly into the ICF database;

1.2.4.b The deadline for calendar applications for international competition level 3 is First (1st) September the year before the competition;

1.2.4.c The deadline for calendar applications for international competition level 4 is three (3) months before the competition.

1.2.5 - Calendar publication

1.2.5.a The calendar of ICF competitions level 1 and level 2 will be published by 1st January the year before the competitions;

1.2.5.b The calendar of ICF competitions level 3 will be published by First (1st) October the year before the competitions;

1.2.5.c The calendar of international competitions (level 4) will be published immediately after approval by the ICF.

1.3 - ATHLETE ELIGIBILITY FOR ICF COMPETITION (LEVEL 1 TO 3) [CR]

1.3.1 - Only athletes who are members of clubs or associations affiliated with a National Federation have the right to participate in an ICF competition.

1.3.2 - An athlete having satisfied 1.3.1 and having first obtained the (written) consent of the athlete's National Federation, is permitted to compete individually in an ICF competition.

1.3.3 - Each National Federation must ensure that their athletes are in a good state of health and fitness which allows them to compete at a level commensurate with the level of the particular ICF competition.

1.3.4 - Each National Federation must ensure that their athletes, team officials, as well as the National Federation itself, carry appropriate health, accident, and personal belongings insurance.

1.4 - AGE GROUP

[CR]

1.4.1 - The first year an athlete can compete in an ICF competition (level 1 to 3) or an international competition (level 4) is the year of their 15th birthday.

1.4.2 - An athlete starting from the year of their 13th birthday can compete in an international competition (level 4) in a specific age group event with a suitably adapted competition format/rules defined by the HOC.

1.4.3 - The last year an athlete can compete in the junior age group is the year of their 18th birthday.

1.4.4 - The last year an athlete can compete in the under 21 age group is the year of their 21st birthday.

1.4.5 - The last year an athlete can compete in the under 23 age group is the year of their 23rd birthday.

1.4.6 - An athlete can compete in a masters event in the year that they reach the lower limit of the age group. The masters' age groups are defined by each discipline with a minimum age of 35 years.

1.4.7 - To enter in an event with a specified age group an athlete or the National Federation must produce documentary proof such as passport, identity card or similar document with a photograph, confirming the age of the athlete.

1.5 - ATHLETE SPORTING NATIONALITY CHANGE [CR]

1.5.1 - An athlete who has competed internationally at any level in the last three (3) years requires authorisation from the ICF with the approval of the two (2) National Federations involved to change sporting nationality.

1.5.2 - For an athlete to be eligible for a change of sporting nationality he/she must have lived in that country for the last two (2) years or hold the nationality of the new country.

1.5.3 - An athlete who is aged 18 or under can change sporting nationality with the approval of the two (2) National Federations involved. He/she is not required to fulfil the two (2) year residency rule.

1.5.4 - The request for the change of sporting nationality must be made to the ICF by the new National Federation no later than 30 November the year before the athlete wants to compete.

1.5.5 - For the Olympic and Paralympic Games, the Olympic and Paralympic Charter rules will be applied for nationality issues.

1.5.6 - For an athlete to gain an Olympic or Paralympic quota place in canoeing they must hold citizenship/nationality of the National Federation they represent.

1.5.7 - An athlete cannot compete for more than one (1) National Federation in any calendar year in canoeing.

1.5.8 - UN Refugee athlete:

1.5.8.a An athlete that has no recognised country of sporting nationality and has official UN Refugee status can compete in ICF competitions. The request to compete in ICF Competitions must be sent to the ICF Headquarters who will decide if the entry can be accepted in conjunction with the Technical Chair of the discipline;

1.5.8.b The Refugee athlete will hold the same status as a national team member from other countries in the ICF competition and abide by ICF Statutes and Competition Rules;

1.5.8.c The Refugee must be allowed to compete in the National Championships in the country where he/she obtained UN Refugee status;

1.5.8.d Changes to the athletes UN Refugee status or that the athlete obtains a sporting nationality will activate the ICF rules for sporting nationality.

1.10 - ANTI-DOPING [CR]

1.10.1 - Doping as defined in the World Anti-Doping Code and the ICF anti-doping rules is strictly forbidden.

1.10.2 - The anti-doping programme must be conducted in accordance with the ICF anti-doping control regulations under the supervision of the ICF medical and anti-doping committee.

1.10.3 - Athletes and support personnel entered in any ICF competition or continental championships must complete the ICF's anti-doping education programme or equivalent before competing or risk being denied entry to the competition.

1.11 - APPEAL TO THE ICF BOARD OF DIRECTORS [CR]

1.11.1 - A participating National Federation can appeal to the ICF Board of Directors if, after the end of the competition, new facts become known that would substantially affect a decision made at the competition.

1.11.2 - Matters of fact during the competition cannot be contested in an appeal.

1.11.3 - An appeal to the ICF Board of Directors must be submitted within 30 days following the end of the competition accompanied by a fee of 75 Euros. The fee will be refunded if the appeal is upheld.

1.11.4 - The ICF Board of Directors makes its decision and addresses it in writing to the National Federation.

1.12 - DISQUALIFICATION FOR UNSPORTSMANLIKE BEHAVIOUR [CR]

1.12.1 - An athlete who attempts to win a competition by irregular means, wilfully breaks the rules, or who contests their validity, as deemed by the officials, may be disqualified for the competition (DQB).

1.12.2 - For disqualification after competition caused by doping or ineligibility the following must be completed:

- Deletion of all achieved results and rankings of boat(s) (DQB);
- Re-calculation of all results accordingly;
- Production of the revised version of all affected outputs (results, summaries, medals).

1.13 - RESULTS [CR]

1.13.1 - For ICF competitions (level 1 to 3) an electronic copy of the detailed official results must be provided to the ICF in a specified format within seven (7) days of the end of the competition. Electronic results must be kept online for historical purposes.

1.13.2 - For international competitions (level 4) an electronic copy of the detailed official results should be sent to the ICF in pdf format for publication on the ICF website within seven (7) days of the end of the competition.

1.14 - TRADEMARKS AND ADVERTISING [CR]

1.14.1 - The advertising of tobacco smoking and strong spirit drinks is not permitted.

1.14.2 - Boats, accessories, and clothing may carry trademarks, advertising symbols and written text.

1.14.3 - Images, symbols, slogans and written text unrelated to sport funding or any political messages are not permitted.

1.14.4 - All advertising materials used should be placed in such a way that they do not interfere with athletes' identification and do not affect the outcome of the race.

1.15 - INTERNATIONAL TECHNICAL OFFICIAL (ITO) - EXAMINATION [CR]

1.15.1 - Examination calendar

1.15.1.a Each year the calendar of official examinations is published for each discipline following proposal from each Technical Chair;

1.15.1.b Continental associations or National Federations are entitled to apply to hold an examination to the concerned Technical Chair. In this case, this organising entity must cover the examination organisation costs including the full board and travelling expenses of the examiners.

1.15.2 - Candidates application

1.15.2.a Only National Federations are entitled to nominate candidates for examination at least 30 days before the examination;

1.15.2.b The applications must be sent to the ICF headquarters on the form designed by the ICF and published on the ICF website;

1.15.2.c The ICF headquarters will forward the list of candidates to the concerned Technical Chair;

1.15.2.d For every candidate applying for the examination, the National Federation will be charged 20 euros;

1.15.2.e The final invoice will be sent to the National Federation in the period between 30 October and 30 November;

1.15.2.f National Federations are financially responsible for their Officials.

1.15.3 - Conduct of the examination

1.15.3.a A sub-committee, appointed by the concerned Technical Chair, will administer the examination;

1.15.3.b The examination will be carried out in English for officials who wish to be considered as officials for ICF competitions and will be based on their knowledge of the ICF statutes and the ICF rules. Each discipline may add a practical assessment or minimum experience requirement;

1.15.3.c If candidates take the examination in any other official language, they may not be considered for officiating at ICF competitions.

1.15.4 - Officials card

1.15.4.a - After completion of the examination the concerned Technical Chair completes the ICF official examination report and sends it to the ICF headquarters, where the officials' cards for those who passed the exam are issued and sent to the National Federations;

1.15.4.b - The officials' cards expire after four (4) years;

1.15.4.c - If an official's card is expiring, lost or destroyed a 20 Euro fee for renewal will be charged.

1.15.4.d - A renewed official's card will be issued starting from the previous expiry date.

1.15.4.e - If an official's card has been expired for more than two years, the ITO must complete the examination again.

1.16 - ITO - NOMINATION FOR ICF COMPETITIONS

[CR]

1.16.1 - Only National Federations are entitled to nominate ITOs for ICF competitions level 1 and level 2.

1.16.2 - The deadline for submitting ITO proposals for each discipline is the 31st of December the year prior to the competition.

1.16.3 - The nominations are submitted to the respective Technical Chair (with a copy to the ICF headquarters).

1.16.4 - The Technical Chair will present a list of Officials to the ICF Board of Directors for their approval at the latest by First (1st) March.

CHAPTER 2 - INTRODUCTION

2.1 - OBJECTIVE

3.2.2 - The hull section and longitudinal lines of the hull of the kayak must not be concave (horizontally and vertically respectively). Section and longitudinal lines of the hull of the Va'a may be concave or convex.

3.2.3 - The deck construction may not be higher on any horizontal point than the highest point of the front edge of the first cockpit.

3.2.4 - All boats must be built symmetrically upon the axis of their length.

3.2.5 - No foreign substance may be added to the surface of the boats which can give the athlete an unfair advantage. The use of hull lubricants is not permitted.

3.2.6 - No part of the boat (including the seat and the footrest) or adaptive equipment may have moving parts which can be used to help propel the boat in a way which would give athletes an unfair advantage (approved existing moving seat systems already in use are accepted).

3.2.7 - Innovations in equipment including, but not limited to boats, related equipment, and clothing, must meet the following requirements before they are allowed for use in ICF International Competitions, including World Championships and Paralympic Games:

3.2.7.a They must be available to all athletes (no exclusive patents);

3.2.7.b The costs involved must be reasonable;

3.2.7.c There must be equal chances for all athletes;

3.2.7.d They must be safe and environmentally sound.

3.2.8 - The innovation must be submitted to the ICF PC and CSPC for evaluation. If it is judged to meet the above conditions and is approved for use, it must be readily available for all athletes by 1st of January of that year to be authorised for use at international competitions. Athletes with unapproved innovations will not be allowed to compete. The ICF PC has the sole authority to decide all matters under this rule.

3.2.9 - A boat or an athlete may be equipped with a device which provides real time feedback on performance for use by television or sport presentation. The device may be used by the athlete for analysis following a race but in no circumstances may the device be used to provide real time feedback to an athlete during a race.

3.2.10 - Modifications are permitted for stability if the boat is made slower. (ie. stabilizing pontoons)

3.2.11 - Adaptation equipment is not regulated. It is included as part of the weight of the boat if it is securely attached. Only adaptations used during classification may be used in subsequent competitions. Equipment that breaches the fundamental principles that results in sport specific performance being generated by any mechanical propulsion mechanism or the like, will not be permitted.

3.2.12 - The specific boat type, the position of the paddler in the boat and the adaptive equipment used in the on-water technical assessment must be identical to the boat type, paddler position in the boat and the adaptive equipment used in competition. The athlete is responsible to report any and all changes to the above after their last classification event to the ICF Head of Classification prior to any competition. Re-classification of the athlete may be the result of a change to any of the above.

3.2.13 - Spray decks covers may not be used in classification or competition unless permitted by the Chief Official and due to severe water conditions.

3.3 - KAYAKS

[PR]

3.3.1 - Boats may have maximum of one (1) rudder. The rudder must be placed under the hull of the boat.

3.3.2 - Rudders can be fixed to the hull of the boat. Rudders may not be permanently attached such as a skeg.

3.3.3 - The boat must be designed for athletes to sit-in ~~(Kayak type) not aor sit-on. top design (Surf Ski type).~~

3.3.4 - Kayaks will be allowed weed deflectors in front of the rudder. Weed deflector can be maximum 20 cm long and cannot be deeper than the rudder.

3.4 - VA'A

[PR]

3.4.1 - The Va'a must be a single hull Va'a, rigged with a single ama (outrigger pontoon) and double iato (spreaders), separated by at least one seat.

3.4.2 - The hull, ama and iato must comply with the specifications set forth above in articles 3.1 and 3.2.

3.4.3 - Para Va'a equipment such as a support seat must be easily removable only when the boat is being shared.

3.4.4 - Either sit-in or sit-on-top Va'a may be used; ~~however, the sit-in Va'a is recommended.~~

3.4.5 - The ama will be attached on the left side but must be able to be attached on the right side to accommodate paddler needs.

3.4.6 - Rudders, skegs and projecting keels are not permitted.

3.5 - SAFETY EQUIPMENT

[SR]

3.5.1 - The boats must be constructed so that they remain buoyant when filled with water.

3.5.2 - Any strapping used to connect an athlete with their boat and the athlete with their paddle must be of a “quick release” type. An athlete must be able to activate the ‘quick release’ function without assistance. The athlete and this can be required to demonstrated by the athlete prior to the competition. An athlete is required to prove capsize and self-escape either through submission of a video or demonstration at a competition upon request. All strapping methods must be clearly included in the equipment passport. No strapping absent from this document will be allowed.

3.5.3 - Athletes are required to wear a Personal Flotation Device (PFD). Athlete may not wear a PFD if they sign a waiver indicating they have excellent swimming ability, and not wearing a PFD presents no risk of personal injury or harm.

3.5.4 - Personal Flotation Devices (PFD) must meet minimum requirements of ISO 12402-5 (level 50) or any equivalent national standard that meets the same requirements and carry the appropriate labelling. They must be worn in accordance with the manufacturer’s certified instructions.

~~3.5.2 - Personal Flotation Devices (PFD’s) must meet the government approved standard of the country of the user. They may not be altered in any way. National Federations are responsible for compliance with this rule.~~

3.6 - IDENTIFICATIONS AND ADVERTISING TRADEMARKS

[PR]

3.6.1 - Requirements for advertising on equipment and clothing for ICF Paracanoe competitions (excluding Paralympic Games, see Chapter 12) are detailed in the ICF Guidelines for Advertising Trademark Identification on Equipment Manual.

CHAPTER 4 - COMPETITION PROGRAMME

4.1 - BOATS AND DISTANCES

[PR]

4.1.1 - The official boats recognised by the ICF are:

Boats	
K1	Kayak single
V1	Va'a single

4.1.2 - The official distance recognised by the ICF for Paracanoe is 200m.

4.1.3 - The official boat categories recognised by the ICF are:

Men and Women	KL1, KL2, KL3, VL1, VL2, VL3 determined by the athlete's classification category
---------------	--

4.2 - EVENTS

[PR]

4.2.1 - The Paralympic events are:

Men	
KL1	200 m
KL2	200 m
KL3	200 m
VL2	200 m
VL3	200 m

Women	
KL1	200 m
KL2	200 m
KL3	200 m
VL2	200 m

4.2.2 - The Non-Paralympic events are:

Men	
VL1	200 m

Women	
VL1	200 m
VL3	200 m

CHAPTER 5 - COMPETITION FORMAT

5.1 - HEATS AND FINALS

[SR]

5.1.1 - At least three (3) kayaks or Va'a boats must be entered before the race can be held. If the number of entries in races is higher than the number of lanes, heats are necessary.

5.1.2 - The division of the athletes into heats should be determined by drawing lots. The system of heats and the progressions are defined in Appendix 1.

5.1.3 - When making the draw, the heats should have the same number of boats or a maximum of one (1) additional boat in a heat (e.g., heat 1 - 8 boats, heat 2 - 7 boats).

5.1.4 - B final will only be held when there are more than 18 boats in that particular event and a C final will only be held when there are more than 36 boats in that particular event.

5.1.5 - Should the width of water or other conditions not permit a simultaneous start, starts at regular intervals should be permitted.

CHAPTER 6 - INVITATIONS AND ENTRIES

6.1 - INVITATIONS

[PR]

6.1.1 - Invitations should be sent a minimum of two (2) months before the competition.

6.1.2 - Invitations to an international competition must contain the following information:

6.1.2.a Date and place of the competition;

6.1.2.b Situation and plan of the course(s);

6.1.2.c Proposed events;

6.1.2.d Competition programme;

6.1.2.e Conditions/terms of participation;

6.1.2.f Address to which entries should be sent;

6.1.2.g Entries deadline.

6.1.3 - As far as possible the events list should be in accordance with the event list approved for World Championships.

6.2 - ENTRIES

[PR]

6.2.1 - Details of the entries process and forms are described in article 1.6.

6.2.2 - Similar details should be provided for the reserves, if any.

6.2.3 - In addition to nominated athletes, participating NFs are allowed to enter unlimited number of substitutes.

6.2.4 - When making the entries, NFs must give the colours of the clothing worn by the athletes and these colours must not be changed during the competition.

6.2.5 - The Host Organising Committee (HOC) will accept the entries in conformity with the conditions/terms of participation. Therefore, the HOC can reject or delete the entry of the participants who fail to observe the conditions/terms of participation.

CHAPTER 7 - COMPETITION OFFICIALS

7.1 - COMPETITION OFFICIALS

[SR]

7.1.1 - International competitions are to be supervised by the following International Technical Officials (ITOs):

- Paracanoe Technical Representative

- Chief Official
- Chief Judge
- Deputy Chief Judge
- Competition Manager
- Boat Controller(s)
- Starter(s)
- Aligner(s)
- Course Umpire(s)
- Chief Finish Line Judge
- Finish Line Judge(s)
- Announcer
- Medical Officer

7.1.2 - If circumstances permit, one (1) person may function in more than one (1) of the above positions.

7.1.3 - The number of judges can be reduced or changed depending on technological systems available at the time of competition. The duties and procedures listed in article 7.3 may be adjusted accordingly.

7.1.4 - Officials' obligations:

7.1.4.a To perform their tasks in conformity with the ICF rules;

7.1.4.b Every judge will have the obligation to check their equipment necessary to perform their tasks is in working order. In the case any shortcoming is found, it is reported to the Chief Official or Competition Manager;

7.1.4.c Unauthorized persons must not enter any Officials area, unless are called for by either the competition committee or the Jury.

7.1.5 - All communications between the Competition Officials and the athletes and Team Leaders must be in English language. In the case of a translator being needed, this must be provided by the team.

7.2 - DUTIES OF THE COMPETITION COMMITTEE [SR]

7.2.1 - ICF competitions are to be managed by a Competition Committee consisting of:

7.2.1.a Chief Official;

7.2.1.b Chief Judge;

7.2.1.c Deputy Chief Judge.

7.2.2 - Minimum two (2) members of the Competition Committee must be in possession of a valid International Canoe Sprint Official card.

7.2.3 - The Competition Committee will:

7.2.3.a Direct and supervise the competition;

7.2.3.b Postpone the competition and decide on another time when it may be held in the event of inclement weather or other unforeseen circumstances, which make it impossible to carry out the competition;

7.2.3.c Decide on matters concerning disqualification in cases where the rules have been broken during the competition;

7.2.3.d Hear any protests that may be made and settle any disputes that may arise;

7.2.3.e Make decisions based on the ICF Paracanoe Rules;

7.2.3.f Penalties in accordance with the ICF Statutes may also be imposed;

7.2.3.g Hear the opinion of the Umpire who controlled the race in which the infraction was said to have occurred before any decision is made regarding an alleged infraction of the rules.

7.2.4 - A member of the Competition Committee may not participate in a judgment connected with an incident directly involving or a disqualification of an athlete from his/her own NF.

7.3.1 - The **Chief Official**, who is also the Chair of the Competition Committee, will decide on all matters arising during the actual competition, which are not dealt with in these rules.

7.3.2 - The **Chief Judge** will:

7.3.2.a Cooperate with the Chief Official and substitutes the Chief Official where necessary;

7.3.2.b Collect the forms necessary for the administration of the competition;

7.3.2.c Maintain a written record of the decisions of the Competition Committee passed relating to any protests and is responsible to have it recorded.

7.3.3 - The **Deputy Chief Judge** will:

7.3.3.a Cooperate closely with the Chief Official and the Competition Manager and handle the administrative tasks of the competition;

7.3.3.b Check the personal identification documents of the athletes and their age if necessary;

7.3.3.c Keep in contact with the responsible IT person in case of computer data processing;

7.3.3.d Check the results race by race during the competition and prepare the list of the boats qualified in the next phase of the competition;

7.3.4 - The **Competition Manager** will:

7.3.4.a Keep in constant contact with the organisers to solve any problems arising;

7.3.4.b Supervise the races and is responsible for ensuring that the competition schedule is followed without unnecessary delay;

7.3.4.c Complete the competition administration for the races (competition schedule, drawings, results, technical documents, boat control, press, protests, etc.);

7.3.4.d Ensure that the announcer gives all necessary information about the races such as the start order, the name of any athlete failing to start and the results.

7.3.5 - The Boat Controller(s):

7.3.5.a The ID Controller(s) must only allow athletes to compete in the race, whose identification has been checked and whose boat, equipment, clothing, starting number and body number conform to the rules;

7.3.5.b They will also check for any performance enhancing foreign substance on the boat and any forbidden devices mentioned in Chapter 3; The Official in charge must inform the Competition Committee in the case of missing boats or infringement of the competition rules;

7.3.5.c Post-race Boat Controller(s) will check boats after races:

- At least three (3) boats will be selected at random from the participants in the races for boat control after the finish;
- Should any of the boats not fulfil the ICF requirements in Chapter 3, they must be excluded (DSQ) from the competition.

7.3.6 - The Starter will:

7.3.6.a Decide all matters concerning the start of the races;

7.3.6.b Be solely responsible for false start decisions;

7.3.6.c Ensure that the starting equipment is in working order.

7.3.6.d Communicate with the Competition Committee before each race. After having received a signal from them that all is ready, order the boats to their places;

7.3.6.e Utilise English in all communications with athletes, plus other languages if possible and deemed appropriate in the circumstances;

7.3.6.f Carry out the start according to the racing rules;

7.3.6.g Ensure that the circumstances at the start are free from any hindrance.

All decisions of the Starter are final.

7.3.7 - The **Aligner(s)** will:

7.3.7.a Bring the boats to the start line with the least possible delay;

7.3.7.b Check the uniformity of the athletes including their attire as well the bib numbers and the boat numbers;

7.3.7.c Utilise English in all communications with athletes;

7.3.7.d Raise a white flag to signify to the Starter that the boats are in position to start, when they are all aligned and/or completely inside the starting boats;

7.3.7.e Raise a red flag if the boats are not aligned and/or not in the starting boats;

7.3.7.f If an automatic starting system is in use the Aligners can be replaced by Course Umpires.

7.3.8 - The **Course Umpire(s)** will:

7.3.8.a Motorboats should remain stationary for the 200m races. Two (2) Course Umpires in two (2) separate motorboats will be positioned before the start line. Two (2) Course Umpires in two (2) separate motorboats will be positioned behind the finish line;

7.3.8.b Ensure that during a race the rules are complied with;

7.3.8.c Stop the competition. He/she passes all boats in the race whilst waving the red flag or using a sound signal until all boats have stopped paddling, in case of hindrances. He/she reports immediately the infraction to the Competition Committee. After that all boats should return to the start;

7.3.8.d Show a white flag after the race has completed if there is no infraction of the rules to report;

7.3.8.e Show a red flag and a lane number after the race has completed if there is an infraction of the rules to report;

7.3.8.f Report immediately any infractions to the Competition Committee if the rules are broken;

7.3.8.g Present a written report to the Competition Committee within 10 minutes in such a case;

7.3.8.h Follow and judge the race also from the Finish Tower as instructed by the Chief Official;

7.3.8.i Be completely unhampered during the race. No one except the Course Umpire and the driver can be admitted to the boat reserved for him/her;

7.3.9 - The Finish Line Judges will:

7.3.9.a Be placed in a position where all lanes at the finish line can be clearly seen;

7.3.9.b Time each race with at least two (2) stopwatches. When the stopwatches have not recorded the same time, the slowest time will be taken as correct. The stopwatches are to be started when the electronic or optical signal from the start is received;

7.3.9.c Decide the order in which the boats have crossed the finish line when there is no Photo Finish System;

7.3.9.d Use a simple majority to decide a dispute in the absence of a Photo Finish System and where the Finish Line Judges differ regarding determining the places of two (2) or more boats. In the case of equal voting, the Chief Finish line Judge has the casting vote;

7.3.9.e Determine the results and compare them with the photo finish results if there is a Photo Finish System. The photo finish will be decisive;

7.3.9.f Record the position of the athletes in the boat with a video camera at the time of arriving at the finish line. The Chief Finish Line Judge will decide with the recording whether the athlete was in his/her boat upon arriving or not and report it to the Competition Committee.

7.3.10 - Chief Finish Line Judge, who will:

7.3.10.a Divide the work amongst the Finish Line Judges;

7.3.10.b Compare the official times with the other Finish Line Judges at the end of each race and immediately inform the Deputy Chief Judge on them.

7.3.11 - The Announcer will:

7.3.11.a Announce the start of each race, the order of starting and the placing of the athletes during the race on the instructions of the Competition Manager;

7.3.11.b Announce the results after the race is completed.

7.3.12 - The Medical Officer will:

7.3.12.a Supervise the Anti-Doping procedures during the competitions;

7.3.12.b Be responsible for medical matters occurring during the competitions.

CHAPTER 8 - FIELD OF PLAY

8.1 - COURSE

[SR]

8.1.1 - The standard ICF course for International Competitions, Continental Championships, World Championships (nine (9) lanes) and for Continental Paralympic Qualification and Paralympic Games (eight (8) lanes) must provide fair and equal racing conditions for all athletes racing in separate, parallel lanes over the distance. For Paralympic Games, Paralympic Qualification, World Championships and World Cups, the standard course must be provided with technical installations and equipment as defined in the “ICF Technical Manual for Canoe Sprint Championships”.

8.1.2 - In order to be classified as a championship course, full details of the course concerned must be submitted in writing to the Technical Chair by the applicants. The course must be inspected at the cost of the federation concerned and approved by experts appointed by PC. The ICF Board of Directors may lay down special requirements for World Championship, Paralympic Games, Paralympic Qualification, Regional Games or World Cups. The ICF Board of Directors (or the PC) may grant exceptions where necessary for competition course in multi-sport competitions or other championships.

8.2 - LAYOUT

[SR]

8.2.1 - At least 5 hours before the start of the races the racing course must be measured and marked by buoys and/or flags. The length of the course and all intermediate distances must be measured by an independent qualified surveyor and an accurate, certified plan must be held by the HOC. This plan should be available for inspection by Chief Official at any time.

8.2.2 - Both the start and finish lines must be marked with red flags and red buoys at the points where lines intersect the outer limits of the course. The start and the finish lines must be at right angles to the course.

8.2.3 - The standard course consists of up to nine (9) lanes. Each lane must be at least nine (9) m wide, straight and without any obstacles.

8.2.3.a The depth of the water in the entire course must be at least two (2) metres;

8.2.3.b The lanes must be marked with buoys or floats. The distance between the buoys cannot be more than 25 m;

8.2.3.c The last buoys must be marked from № one (1) to nine (9) and zero (0). The numbering goes from the left to the right with the number placed on the buoy in such a way as to be clearly visible from the finish tower;

8.2.3.d When there is television coverage of the competition, the lane numbering may be in the opposite direction - from right to left, so that the list of athletes and their lanes shown on the television screen match the appearance of the races to be televised;

8.2.3.e The numbered buoys (white cubes with black numbers on them) should be fixed no closer than one (1) metre and no further than two (2) metres behind the finish line;

8.2.3.f The numbered buoys must be clearly visible to the athletes and to be on the corresponding athlete's right-hand side as they pass it;

8.2.3.g The course settings can be variable with the approval of the Competition Committee.

8.2.4 - Heats and the final must be run on the same stretch of water.

CHAPTER 9 - PRE-COMPETITION

9.1 - DUTIES OF THE HOST ORGANISING COMMITTEE [SR]

9.1.1 - The HOC is responsible for the preparation and running of the competition.

9.1.2 - The HOC must, in particular:

9.1.2.a Make available a suitable venue and technical equipment conforming to the present Canoe Sprint Competition Rules;

9.1.2.b Fix the date and the competition programme in agreement with the ICF;

9.1.2.c Draw up and distribute the competition programme including the date and time of the Teams Leaders meeting. It must be distributed in advance of the competition.

9.2 - CLASSIFICATION [PR]

9.2.1 - The Rules and Regulations of Classification are published as a separate document. They must form part of the rules of Paracanoe. With regard to any conflict between this rule and the Paracanoe Rules and Regulations, the Paracanoe Rules and Regulations must apply.

9.2.2 - A 50 Euro fee will apply to any incomplete forms that require the ICF Paracanoe Committee to complete.

9.3 - TEAM LEADER [PR]

9.3.1 - The Team Leader will:

9.3.1.a Represent his/her team;

9.3.1.b Be the main contact with the Chief Official and the HOC throughout the competition, but he/she cannot disturb their work;

9.3.1.c Submit any changes or comments in relation to the competition;

9.3.1.d Arrange to submit the protest or appeal as stipulated if necessary.

9.4 - INSTRUCTIONS FOR TEAM LEADERS AND ATHLETES

[PR]

9.4.1 - The preliminary draw should be available at the competition venue, at the latest 48 hours before the first race of the competition, giving the names and sporting nationality of the athletes and the results of the draw.

9.4.2 - Documentation should be available for each Team Leader, at least five (5) hours before the beginning of the Team Leaders meeting, containing the following information:

- Detailed information on the courses and their markings;
- Detailed competition schedule;
- Type of boat control;
- Time and place of the awards ceremony.

9.5 - TEAM LEADERS MEETING

[PR]

9.5.1 - At least 12 hours before the first race of the competition, the Team Leaders Meeting is to be held.

9.5.2 - At this meeting the names of Team Leaders should be advised.

9.5.3 - The organisers will describe the racing course and all other arrangements, which should be adhered to for the duration of the competition.

9.5.4 - The Chief Official will describe the competition programme and ask for any changes to the entries.

9.6 - ALTERATION OF ENTRIES AND WITHDRAWALS

[PR]

9.6.1 - Any athlete named in the final entry of his/her country may substitute in any other event.

9.6.2 - Notification of alterations in the entries must be given in written form to the Chief Official up to the Team Leaders meeting.

9.6.3 - The Chief Official may in exceptional circumstances accept late alterations. Late alterations must be given in a written form to the Chief Official at least one (1) hour before the first race of the morning or afternoon session.

9.6.4 - The withdrawal of an entry is considered final, and the same athlete is not allowed to compete in any other events of the competition. Entry fees will not be refunded.

9.7 - ALTERATION AT THE ORDER OF EVENTS [PR]

9.7.1 - The sequence of races given in the invitation, and the intervals between the races as given in the Competition Programme, are binding on the organisers.

9.7.2 - Alterations cannot be made unless the respective Team Leaders at the Team Leaders Meeting give their consent.

9.8 - PRE-RACE BOAT CONTROL [SR]

9.8.1 - The HOC must provide for boat control two (2) certified weighing and measuring devices. Pre-race boat control is a self-boat control.

9.8.2 - The athletes are responsible to ensure the boats conform to the technical requirements for the competition as per Chapter 3.

9.8.3 - Permanent adaptations attached in a definitive way to the boat and any attachments consisting of water absorbing material must be absolutely dry or they will be removed for the weighing.

9.9 - BOAT AND PERSONAL NUMBERS [SR]

9.9.1 - All boats should carry a boat number. It is a vertical plate, made of non-transparent material, marked with black numbers on a white background.

9.9.2 - The plates should be placed on the centreline on the afterdeck or thwart.

9.9.3 - The size of the number plate should be 18 x 20cm. The numbers on the plate must be on each side and must measure 15 cm in height and 25 mm in thickness.

9.9.4 - The personal (bib) numbers will be provided by the HOC and must be placed on the back and/or on the front of the athlete as required by the HOC. The title or main sponsors name may be shown on the front side with the personal numbers.

CHAPTER 10 - COMPETITION

10.1 - MEANS OF PROPULSION

[SR]

10.1.1 - Kayaks must be propelled solely by means of a double-bladed paddle.

10.1.2 - Va'a must be propelled solely by means of a single-bladed paddle. Paddling in Va'a is only allowed while the paddler is in a sitting position, with the bottom in contact with the seat during the race.

10.1.3 - The paddles must not be attached to the boat in any way.

10.2 - START

[SR]

10.2.1 - The Start Line must be marked by two (2) red flags and two (2) red buoys.

10.2.2 - Athletes must be on the water at the starting area, not less than three (3) minutes prior to the specified start time of their race. The starting area is defined as the area of water within 100 metres of the Start Line.

10.2.3 - Two (2) minutes before the defined starting time the competing boats must be in line with the allocated race lane.

10.2.4 - The start must commence without reference to any absentees.

10.2.5 - When signalled by the Starter, the athlete will take the start position designated so that the bow of the boat is on the start line. In case of an automatic starting system the bow of the boat must be completely in the start machine. When all boats are properly aligned, the Aligner/Course Umpire will then raise a white flag.

10.2.6 - If the Starter is not satisfied with the line-up, he/she will call "STOP", and begin the start procedure again.

10.2.7 - The Starter will start the race when he/she is satisfied that everything meets with his/her approval.

10.2.8 - The starting command will be “Ready - Set - Go”.

10.2.8.a At the “Ready” command the athletes begin their preparation to paddle;

10.2.8.b At the “Set” command the athletes place their paddle in the catch position. The boat must not move forward at this point in the starting procedure;

10.2.8.c The Starter when satisfied with the athletes positioning and attention will say “Go” (or shot or loud sound).

10.2.9 - The athletes must only react to the start command/signal ”Go” and are not permitted to anticipate the start. The athletes can paddle only upon hearing the starting signal/command “Go”.

10.2.10 - In the case of a false start, the Starter must immediately give a loud buzzer sound signal. On hearing this signal all athletes must stop paddling and follow the Starter’s instructions for a new start.

10.2.11 - Before the new start, the Starter must identify the offending athlete(s) making the false start and give them a warning.

10.2.12 - In the case of a second false start by the same athlete, the athlete will be disqualified (DSQ) from the race and must leave the starting area and the course immediately.

10.2.13 - The Starter may also recall athletes for a new start in the case of any unforeseen circumstance (for example - a malfunction of the starting equipment). In such a case the same powerful sound signal as for a false start must be given.

10.2.14 - If a malfunction of the starting equipment was caused through a boat making a false start, as in 10.2.10, the athlete must be given a warning, as in 10.2.13, even though that boat may not have crossed the start line. If the malfunction was not the cause of any athlete making a false start, no penalty should be imposed.

10.2.15 - If an athlete does not start, and has no valid reason approved by the Competition Committee, he/she will be disqualified for the remaining races of the competition (DNS).

10.2.16 - An athlete, who arrives too late at the start, should be considered to have voluntarily withdrawn and will be disqualified for the remaining races of the competition (DNS).

10.2.17 - The Starter will make a written report on any disqualification and forward it to the Chief Official.

10.3 - PADDLING ON THE COURSE

[SR]

10.3.1 - Athletes must keep the whole of their boat within the five-(5) meter wide central area of their lane from the start to the finish of the course. The Ama of the Va'a boat may go outside the five-(5m) meter wide central area. Upon any deviation, the boat must go back immediately to this central area of the lane.

10.3.2 - A boat which leaves its allocated lane, must be disqualified (DSQ) from the event.

10.3.3 - If there is a capsize the athlete is disqualified (DNF) from the race.

10.3.4 - If a paddle is broken an athlete cannot be provided with a new one.

10.3.5 - The Course Umpire has the right to interrupt a correctly started race if unforeseen hindrances arise by using a red flag and a strong sound signal. Athletes must immediately stop paddling and await further instructions.

10.4 - PACING AND WASH RIDING

[SR]

10.4.1 - Taking pace or receiving assistance from boats not in the race or by any other means is not permitted.

10.4.2 - When a race is in progress crews not taking part in the race are strictly forbidden to proceed over the whole or part of the course, even outside the marking buoys.

10.5.1 - The boat has finished the race when its bow crosses the finish line with the athlete in it.

10.5.2 - The Finish Line Judges will determine the result of the competition based on the order of the boats arriving.

10.5.3 - If two (2) or more boats cross the finish line at the same time, they get the same classification in the final ranking. In case of a dead heat finish for any position, which determines the advance to the next phase of the competition, the following rules will apply:

10.5.3.a Whenever there are sufficient number of lanes available in the next phase of the competitions, a drawing of lots will determine to which race these athletes will advance. It is also possible to use lane number zero (0) or 10;

10.5.3.b Where there are not enough lanes available there will be a re-race between the boats involved after the last race of the day, or half-day programme or drawing lots. The decision will be made by the Chief official;

10.5.3.c In case of a dead heat in a re-race, drawing of lots will determine the outcome.

10.5.4 - If the photo finish confirms a dead heat of two (2) or more boats at the finish, the final ranking will be determined according to the best place achieved by those boats. E.g., two (2) or more may be recorded as first, second, third etc.

10.6.1 - Any athlete who attempts to compete in a race by any other than honourable means, or who breaks the racing rules, or who disregards the honourable nature of the racing rules will be disqualified from the race concerned (DSQ).

10.6.2 - Disqualification and modification of results may arise due to an infraction of the Paracanoe Classification Rules & Regulations by an athlete.

~~10.6.2~~-~~10.6.3~~ - Should an athlete have completed a race in a boat which is shown upon inspection does not conform with the ICF rules will be disqualified (DSQ) from the race.

~~10.6.3~~-~~10.6.4~~ - It is forbidden to receive external assistance during a race.

~~10.6.4~~-~~10.6.5~~ - No athlete may be accompanied along and adjacent to the racecourse by other boats while the race is in progress.

~~10.6.5~~-~~10.6.6~~ - No athlete may receive assistance by using objects thrown into the course.

~~10.6.6~~-~~10.6.7~~ - Any of the above infractions will result in the disqualification of the athletes concerned (DSQ).

~~10.6.7~~-~~10.6.8~~ - All penalties or disqualifications must be confirmed by the Competition Committee in writing immediately, giving the reasons. The Team Leader of the athlete/team must acknowledge the receipt on the notice copy.

~~10.6.8~~-~~10.6.9~~ - Failure to deliver the copy confirmation of the disqualification to the Team Leader does not invalidate the disqualification.

~~10.6.9~~-~~10.6.10~~ - The Competition Committee may discipline any athlete or Official whose behaviour is detrimental to the good order and conduct of the competition. The Competition Committee may disqualify him/her for that competition.

CHAPTER 11 - POST-COMPETITION

11.1 - ATHLETES AFTER THE RACE

[SR]

11.1.1 - The athlete must leave the course after the finish of the race and cannot disturb the next race.

11.1.2 - The boats selected by the Competition Committee for boat control must immediately go to the post-race boat control.

11.1.3 - If selected for doping control, the athlete must comply with the obligations stipulated in the ICF and WADA doping rules.

11.1.4 - Before the awards ceremony the top three (3) athletes of the final must be present at the location and time indicated.

11.1.5 - At the World Championships, World Cups and Paralympic Games the athletes must wear the uniform and shoes of their NF at the awards ceremony.

11.2 - PROTEST

[PR]

11.2.1 - A protest against the right of an athlete to compete in a race must be addressed to the Chief Official and handed to the Competition Committee, not later than one (1) hour before the start of the first race of the competition.

11.2.2 - A protest made during a competition must be in a written form, addressed to the Chief Official and handed to the Competition Committee.

11.2.3 - If the protest is against a decision of the Competition Committee, the protest must be received not later than 20 minutes after the decision has been published at the athlete's area notice board with exact time of publication.

11.2.4 - All protests must be accompanied by a fee of 75 Euros (or an equal sum in the local currency). The fee will be refunded if the protest is upheld.

11.2.5 - When a protest or a report is made against an athlete or a team, the Team Leader of the athlete/team in question should be presented the protest or report to read.

11.3.1 - After the ending of World Championships and all International Paracanoe competitions, listed in the ICF Competition Calendar, two (2) copies of the results, protests and appeals must be posted by the HOC to the ICF Headquarters (ICF HQ) as well as displayed electronically on official websites.

MKL1	Men's Kayak	200m
MKL2	Men's Kayak	200m
MKL3	Men's Kayak	200m
MVL2	Men's Va'a	200m
MVL3	Men's Va'a	200m

Women		
WKL1	Women's Kayak	200m
WKL2	Women's Kayak	200m
WKL3	Women's Kayak	200m
WVL2	Women's Va'a	200m

12.2.3 - The competition format and the competition timetable for the Paralympic Games is agreed between the IPC, OCOG and the ICF.

12.3 - SYSTEM OF DIVISION AND PROGRESSION

[SR]

12.3.1 - Drawing of lots for the heats should take place at a time and under the supervision of persons approved by the IPC.

12.3.2 - Division into heats must take place according to the system specified in articles 5.1 and 13.4 The Progression system is shown in Appendix 2.

12.4 - ENTRIES

[SR]

Entries for Paralympic Games can be made only through the NPC in accordance with the regulations given in the invitation.

12.5 - BOATS AND EQUIPMENT CONTROL

[SR]

12.5.1 - In accordance with article 13.9.

12.5.2 - At the Paralympic Games all the boats must pass the First (1st) Boat Control prior to the competition.

12.5.3 - No form of publicity or propaganda, commercial or otherwise, may appear on sportswear, accessories or, more generally, on any article of clothing or equipment whatsoever worn or used by the athletes or other participants in the Paralympic Games.

12.5.4 - Boats, accessories and clothing may carry advertising symbols, trademarks or emblems and words for the identification of the manufacturer of the article or equipment concerned, provided that such identification must not exceed total surface area designated suitable by the IPC.

12.5.5 - The word “identification “means the normal display of the name, designation, trademark, logo or any other distinctive sign of the actual manufacturer of the item only. Third party branding of an article of equipment or clothing is not permitted. The identification can appear only once per item unless specified by the IPC.

12.5.6 - The uniform of the athletes and all persons holding an official position may include the flag of their NPC emblem or, with the consent of the OCOG, the OCOG Paralympic emblem. The ICF officials may wear the uniform and the emblem of the International Federation.

12.5.7 - Any boat, accessory or article of clothing, which does not comply with the above conditions, will be ineligible for use during the competition. Athletes are responsible for their own equipment.

12.5.8 - For a new boat design to be eligible for the Paralympic Games the same boat design must have passed the official boat control at the World Championships or World Cup the year prior to the Paralympic Games.

12.5.9 - At the Paralympic Games the names of the athletes and their country code must be placed on the sides of the boats. The names (letters) on the stickers should be placed just below the cockpit. The precise positioning will be determined by the ICF Technical Delegate.

12.5.10 - The dimension of the names on the stickers will be a minimum of six (6) cm high and will be black letters on white background. The font should be “Arial Black” all in capital letters with first name or initial followed by family name.

12.5.11 - The stickers will be provided by the OCOG. They will be checked ~~applied~~ by the ICF Officials at the first Boat Control.

CHAPTER 13 - WORLD CHAMPIONSHIPS

Refer to the International Competition Rules except as amended in this Chapter.

13.1 - ORGANISATION

[PR]

13.1.1 - World Championships may be arranged every year with the consent of the ICF Board of Directors at a place and time approved by it and in accordance with the ICF Paracanoe Rules.

13.1.2 - The races may be held between two (2) and four (4) consecutive days. They may be held in conjunction with Canoe Sprint competitions.

13.1.3 - Entries for all events must be limited to two (2) per NF.

13.1.4 - Substitutes may be entered and may participate in the races according to the Rules in articles 1.6, 6.1, 6.2 and 9.6.

13.2 - COMPETITION PROGRAMME

[PR]

13.2.1 - World Championship events are:

MKL1	Men's Kayak	200m
MKL2	Men's Kayak	200m
MKL3	Men's Kayak	200m
MVL1	Men's Va'a	200m
MVL2	Men's Va'a	200m
MVL3	Men's Va'a	200m
WKL1	Women's Kayak	200m
WKL2	Women's Kayak	200m
WKL3	Women's Kayak	200m
WVL1	Women's Va'a	200m
WVL2	Women's Va'a	200m
WVL3	Women's Va'a	200m

13.2.2 - The order of the events will be decided by the Technical Chair and the ICF.

13.3 - INVITATIONS, ENTRIES AND COMPETITION SCHEDULE

[PR]

13.3.1 - Invitations for World Championships will be issued by the organising NF (or HOC) and must be in accordance with the ICF Rules. Invitations should be sent out at least nine (9) months before the first day of the Championships.

13.3.2 - Entries:

13.3.2.a Entry process is described in article 1.6;

- Teams must provide a photo(s)/ drawings of National racing uniform(s) that will be used during the competition;

13.3.2.b The deadline for the numerical entries is 45 full days before the first day of the competition;

13.3.2.c Athletes in lower functioning categories are not permitted to “race up” into higher functioning categories. (e.g., a KL1 athlete is not eligible to enter a KL2 event.)

13.3.2.d When an athlete classification at a competition determines the athlete must be placed in another class, the athlete will be removed from the event in which he/she was entered. Notwithstanding clause 13.1.3, the athlete will be permitted entry in the event of the appropriate class regardless of whether the athlete’s NF has filled all its permitted entries. In any case, only a third (3rd) entry from a NF will be permitted.

13.3.2.e When an athlete classification at a competition determines the athlete is not eligible for Paracanoe, the athlete is not permitted to race in any event at the competition.

13.3.2.f Withdrawing of an athlete in an event is only permitted until five (5) days before the first day of the races without consequences.

13.3.2.g In extraordinary circumstances, an application can be made to the Chief Official for the acceptance of late numerical entries from National Federations. It is the Chief Official’s discretion to accept or decline a late entry. Late entries will incur a fee of 20 euros per boat;

13.3.3 - The preliminary Competition Schedule must be available at least three (3) days before the Championships and contain the following details:

13.3.3.a The starting time for each race (heats as well as finals);

13.3.3.b The names and NFs of the athletes in each race.

13.4 - SYSTEM OF DIVISION AND PROGRESSION [PR]

13.4.1 - The drawing of lots for the first races in each class must be carried out under the control of an ICF Official

13.4.2 - The division into heats must be made in accordance with the Paracanoe rules, with the following additions:

13.4.2.a The division into heats will be based on the results of previous World Championships. The boats placed in A, B and C finals, if applicable, will automatically be seeded. The remainder will be placed into the heats by drawing of lots.

13.4.2.b If changes at the Team Leaders Meeting result in the fact that the actual number of boats is too small for the plan used, there may be a redraw of lots for the actual number of boats and a new plan selected.

13.4.3 - In relation to the progression plan the boats from each heat go forward to the next appropriate phase of the competition. The others are eliminated.

13.4.4 - In relation to the progression plan the boats from each semi-final go forward to a final. The others are eliminated.

13.4.5 - The Competition Committee will decide which progression plan (1 or 2) will be used for the event.

13.4.6 - The distribution of lanes for, semi-finals and finals is automatically determined by the results of the previous races.

13.4.7 - A semi-final will not be held if all the competing boats would reach the next phase of the competition. The lanes for the final will be determined by means of a draw from the boats that progressed.

The interval between the events (heats, semi-finals and final) must not be less than 30 minutes.

13.6 - COMPETITION COMMITTEE AND OFFICIALS [PR]

13.6.1 - World Championships must be held under the direction of a Chief Official appointed by the ICF Board of Directors.

13.6.2 - During the World Championships the Competition Committee must consist of three (3) officials who must be in possession of a valid International Official Canoe Sprint card or being the Paracanoe Technical representative approved by the ICF Paracanoe Committee ~~or Paracanoe card~~. They are:

13.6.2.a Paracanoe Technical Representative ~~Chief Official~~;

13.6.2.b Chief- Official Judge;

13.6.2.c ~~Deputy~~ Chief Judge;

These would be appointed from the Technical Committee.

13.6.3 - The officials (excluding the Jury and Competition Committee) to officiate at the World Championships are:

- Competition Manager
- Starters
- Aligners
- Course Umpires
- Finishing Line Judges
- Boat Controllers
- Medical Officer

13.6.4 - Travel expenses for the following International Technical Officials (ITOs) will be covered by the competing NFs:

- Chief Official
- Chief Judge
- Deputy Chief Judge
- Competition Manager
- Starters
- Aligners

- Course Umpires
- Chief Finish Line Judge
- Finish Line Judges
- Boat Controllers
- Medical Officer

13.6.5 - All ITOs must be recognised International Canoe Sprint Officials holding a valid Canoe Sprint card.

13.6.6 - Each team attending the World Championships will pay an administration fee (set by the CSPC) to share the travel costs of the ITOs to officiate at the World Championships. The travel costs will be divided over all athletes equally, based on the nominal entries, so that every National Federation pays the same amount per athlete.

13.6.7 - The expenses (room and board) for all ITOs during the competition period are the responsibility of the HOC.

13.6.8 - The minimum number of Classifier officials to classify at the World Championships should be:

- Paracanoe Technical Representative 1
- Head of Classification 1
- Medical Classifiers 2
- Technical Classifiers 2

NOTE: The Paracanoe Committee reserves the right to add classifiers if athlete participation numbers warrant an increase.

13.6.9 - Travel expenses for the Paracanoe Classification Team (except the Paracanoe Technical Representative) will be covered by the participating NFs.

13.6.10 - Each participating NF at the World Championships will pay an administration fee to share the travel costs of the classifiers to classify at the World Championships.

The fees are:

Team Size	Euros
Less than 4	100
Less than 8	200
Less than 12	300
12 or more	400

13.6.11 - The expenses (room and board) for all Classifier Officials during the competition period are the responsibility of the HOC.

13.6.12 - Travel, room and board expenses for the Paracanoe Technical Representative should be covered by the HOC.

13.7 - START AND EQUIPMENT

[SR]

13.7.1 - An automatic start system accepted / approved by the ICF and equipped with loudspeakers at each start position is compulsory for all races.

13.7.2 - The HOC must provide a loudspeaker, to be at the disposal of the Starter.

13.7.3 - If necessary, an assistant holds the stern of the boat and release it on the shot or electronic sound.

13.7.4 - There must be a video system with camera/VCR with slow replay at each start line position to control the start of the athletes at World Championships and Paralympic Games. The video will be only at the disposal of the Starter.

13.8 - PHOTO-FINISH AND TIMEKEEPING

[SR]

13.8.1 - At World Championships the order of the boats arriving at the finishing line will be decided with a Photo Finish System.

13.8.2 - The HOC must provide two (2) sets of Photo Finish equipment accepted by the ICF. The time must be recorded in 1/1000's and published in 1/100's of a second. In finals only, if the time difference between one boat and other boat(s) is 5/1000 seconds or less, the slower boats will be given the same time and position as the faster boat.

13.8.3 - There must be a video system with camera/VCR with slow motion that must show the athletes relative position in their boat at the finish line.

13.8.4 - An Official must see that a photo finish is taken for each race (heats, semi-finals and finals).

13.8.5 - The Photo Finish System must record the finish of all participating boats.

13.8.6 - The photo finish must be at the disposal of the Chief Finish Line Judge, the Competition Committee and the Jury.

13.8.7 - In case of close arrival of two or more boats one copy of the photo finish should be placed on the official notice board.

13.8.8 - The Chief Finish Line Judge and the Competition Committee must compare their decisions with the results of the photo finish, with the latter being decisive. The results of each race are to be approved by the Competition Committee.

13.8.9 - During World Championships as well as Paralympic Games no separate timekeepers will be used. If the electronic time keeping fails, the Finish Line Judges should take the time by stopwatch.

13.8.10 - Timing, Scoring and Results System Providers at ICF competitions can be conducted exclusively with ICF approved Timing, Scoring and Results System Providers.

13.8.11 - The Timing, Scoring and Results System have the task to supply information as defined in the “ICF Technical Manual for Canoe Sprint Championships”.

13.8.12 - Requirements:

- Instant updates to the competition programme;
- Updates from Team Leaders Meeting;
- Race operations including instant classification of boats;
- Medal tables;
- Point rankings;
- Statistics (e.g., number of races, athletes, best times);
- Interface that can be used for media / spectators;
- On-line system (on-line entries, accreditation, starting lists, results on website).

13.8.13 - The systems must be tested at least one (1) year prior to the start of the competition.

13.9 - BOATS AND EQUIPMENT CONTROL [SR]

There will be three (3) types of boat control:

13.9.1 - Pre-Competition boat control as per article 9.8;

13.9.1.a Teams are responsible for pre-competition boat control;

13.9.1.b Before the first day of the competition each participating NF can control their boats which will be used during the World Championships to satisfy themselves that their boats conform to the rules;

13.9.1.c Additional weight, if any, must be fixed to the hull of the boat.

13.9.2 - Identity and equipment Control:

13.9.2.a Athlete's name and their country code must be placed on each side of the boat under the cockpit.

13.9.2.b Before proceeding to the start of a race all athletes and boats must pass through ID and equipment control;

13.9.2.c The Officials will:

- Check all athletes ID, body numbers, boat numbers, uniforms and uniforms;
- Check for any performance enhancing foreign substance on the boat and any forbidden devices mentioned in articles 3.2.5 and 3.2.9;
- Inform the Competition Committee in case of missing boats or infringement of the competition rules.

13.9.2.d The athletes must wear an appropriate official clothing with easy identification of the nation they represent. Every athlete must compete in the team uniform mentioned in the nominal entries or at accreditation at the latest;

13.9.3 - If two (2) boats from same country compete in the same race, they must wear same uniforms.

13.9.4 - Post-Race boat control will be directly after all the races. Conformity with Paracanoe Equipment passport will be checked.

13.10 - APPEAL TO THE JURY

[PR]

13.10.1 - Team Leaders or other NF representatives have the right to appeal to the Jury against a decision of the Competition Committee on behalf of their athletes.

13.10.2 - The appeal must be handed to the Chair of the Jury in writing with reasons, not later than 20 minutes after the decision has been published at athlete's area notice board with exact time of publication.

13.10.3 - An appeal must be accompanied by a fee of 75 Euros (or an equal sum in the local currency). The fee will be refunded if the appeal is upheld.

13.10.4 - The appeal must be heard as soon as possible. Witnesses may be called.

13.10.5 - The decision of the Jury is final.

13.10.6 - There is no appeal to the Jury or Board of the Directors on the classification matters.

13.11 - AWARDS

[PR]

13.11.1 - The medals will be awarded in accordance with article 1.8.6 and must on no account be presented to any other persons than those who have won championship races.

13.11.2 - Only medals, to the exclusion of all other prizes, are to be presented at the official ceremony.

13.12 - NATIONS CUP RANKING

[PR]

13.12.1 - Nations Cup ranking is in accordance with article 1.8.7.

13.12.2 - The ranking will be calculated in the following table:

Points			
Position	Final A	Final B	Final C
1 st	30	20	10
2 nd	28	18	8
3 rd	27	17	7
4 th	26	16	6
5 th	25	15	5
6 th	24	14	4
7 th	23	13	3
8 th	22	12	2
9 th	21	11	1
All others	1	1	1

13.12.3 - All boats that participated in the event will receive a minimum of one (1) point.

13.12.4 - The Nations Cup will be awarded in accordance with article 1.8.7. Paracanoe results are included in the Canoe Sprint Nations Cup calculations.

CHAPTER 14 - WORLD CUP

Refer to the International Competition Rules and special rules for World Championships except as amended in this Chapter.

14.1 - ORGANISATION

[PR]

14.1.1 - The ICF Paracanoe World Cup competitions must be arranged under the auspices of the ICF.

14.1.2 - The Paracanoe World Cup competitions are held in accordance with the ICF Paracanoe Rules.

14.1.3 - The Paracanoe World Cup competitions will be held every year with at least one (1) competition.

14.1.4 - No World Cup competition can be held during the two (2) weeks preceding the World Championships or Paralympic Games.

14.2 - COMPETITION PROGRAMME

[PR]

14.2.1 - The competition should be organised over three (3) days but can be extended by the ICF Board of Directors if required. The progression system should be based on the World Championships rules.

14.2.2 - The competition schedule must be set at least three (3) months before the first day of the competition by the PC based on the events approved by the ICF Board of Directors.

14.2.3 - The competition schedule can be adapted to meet television requirements. Negotiations between ICF and television must be completed at latest one (1) month before the competition.

14.3 - COMPETITION COMMITTEE AND OFFICIALS [PR]

14.3.1 - The Paracanoe World Cup competitions must be conducted under the authority of a Technical representative member of the ICF PC.

14.3.2 - The HOC must bear the travel, accommodation and meals expenses of the member of the ICF PC.

14.3.3 - If the PC considers a technical visit necessary after the bid and before the competition, the costs of travel and stay will be charged to the HOC.

14.4 - WORLD CUP CLASSIFICATION PERSONNEL [SR]

14.4.1 - The minimum number of classifier officials at a World Cup should be:

- 14.4.1.a Paracanoe Technical Representative - 1
- 14.4.1.b Head of Classification - 1
- 14.4.1.c Medical Classifier - 1
- 14.4.1.d Technical Classifier - 1

NOTE: The Paracanoe Committee reserves the right to add classifiers if athlete classification numbers warrant an increase.

CHAPTER 15 - ITO - TRAINING PATHWAY

Procedure for becoming an ICF Paracanoe International Technical Official:

15.1 - EXAMINATION

[PR]

15.1.1 - In Paracanoe ITO examination is linked with a seminar. NFs are entitled to apply to hold together a seminar and an examination.

15.1.2 - Examination Procedure

15.1.2.a A sub-committee consisting of two (2) members, appointed by the Technical Chair, will:

- Run an ICF Official Seminar containing theory and practise sessions at the international level competition;
- Hold the examination after as per article 1.15.

15.1.2.b Candidates may pass the examination according to the criteria created by their Continental Association or the ICF criteria created by the Technical Chair. Officials who are approved only at the continental level, may participate in a new examination without attending another seminar.
