2 INTERNATIONAL COMPETITION

[GR]/ [TR]

2.1 All competitions announced as international shall be governed by the rules of the ICF.

2.1.1 Competitions organised by a Federation or its affiliated associations are always regarded as international if foreign competitors are invited and participate.

2.2 An international competition must be supervised by at least one judge who holds a valid card as an International Judge Wildwater Canoeing (IJWWC).

2.2.1 These officials are appointed by the Chair of the WWCC from nominations submitted by the organisers.

2.2.1.1 Room and board for these officials is paid by the organising Federation.

2.3 International Competitions:
International Competitions are open to all Federations.

2.3.1 The start order for international competitions is taken from the current ICF Ranking.

2.4 Type of ICF competitions:
There are four levels of international competitions:

	Type of Competition	Competition	Entries
LEVEL 1 (see chapter IV and V)	ICF COMPETITION	ICF World Championships ICF Junior and U23 World Championships	4 boats per event per federation
LEVEL 2 (see chapter VI)		ICF World Cup	6 boats per event per federation
LEVEL 3 (see article 38.11.2)		ICF Ranking Event (<i>International event selected by ICF WWCC</i>)	To be determined by the organiser
LEVEL 4	OTHER International event		

3 COMPETITORS

[GR]

18.6 In any event, competitors start at their own risk, neither the ICF nor the organisers bear responsibility for accidents or damage to equipment that may occur on the competition course.

19 COURSE

[TR]

19.1 The course must be from a point upstream to one downstream.

The course must be navigable for its entire length, always allowing easy passage for the boat. Two course types are possible:

1. Wildwater Canoeing Sprint Race
2. Wildwater Canoeing Classic Race

19.1.1 The Sprint Course can vary from 200m to 600m.

19.1.2 The Wildwater Canoeing Classic course is less than 30 minutes. The starts are individual type, and/or Team.

19.2 At the Team Managers meeting before the beginning of the competition, the course must be approved by a simple majority of those present. If the course is not approved, the competition may be moved to an alternate course.

19.2.1 K1W, C1W, C2W and Juniors may have a shortened course if a majority of Team Managers so demand.

19.3 Dangerous passages may be marked with gates to indicate the correct channel.

19.4 Portages are not allowed.

20 TRAINING

[TR]

21.2 Each boat must be held at the starting position until the start by an assistant to the Starter.

21.3 Only standing starts are permitted. The start will be indicated by an audible signal.

21.3.1 For a team start all boats are released at the audible start signal, all competitors must pass through the start line within 10 seconds of the release. If some natural disaster, or unforeseen circumstance including water level issues occur and the time at the start will not allow the competitors to pass the start line within 10 seconds, the time can be changed - this is the right of the majority of the team leaders present. If the team

will not pass the start within 10 seconds from the release, they will be disqualified.

Definition of a start line:

In the case of a gate, the passage is through the gate;

In the case of crossing a river beam, it is the line between the beams.
