Reasons and motivations to be elected to the ICF Athletes Committee:

- To communicate with the athletes and to share athletes' opinion to the different topics with the ICF governance
- To unite the athletes in one community
- To defend the athletes rights
- To offer athletes proposals to the ICF
- To popularize and develop Canoeing all over the world (media, social networks, etc.)
- To organize meetings with the athletes and to discuss all the problems, news, proposals etc.
- To promote our sport
