CANOE SLALOM
WORLD CHAMPIONSHIPS
Krakow 2019

16 - 21 July 2019

INVITATION

This year's ICF Junior and U23 Canoe Slalom World Championships is yet another event in a strong tradition of great international competitions held at the Krakow-Kolna Canoe Slalom Course.

Since its opening, the modern artificial whitewater course has held some of the most important international competitions. Before the 2013 European Championships the course had been thoroughly modernized to meet the requirements of the European Canoe Association and International Canoe Federation and is now ready to host world's best slalom athletes.

The Krakow-Kolna Canoe Slalom Course not only provides an excellent training base for Poland's representatives but it is also the site of important sporting events. Thanks to its many amenities and a convenient location it is very popular with Krakow citizens for outdoor recreation.

I am also convinced that our centre will be a successful host of the World Championships and win the hearts of its distinguished participants.

You are cordially invited to the Kolna Canoe Slalom Course and to the beautiful, historic and lively city of Krakow.

*Jacek Majchrowski
Mayor of Krakow*

Ladies and gentlemen, dear friends!

On behalf of Polish Canoe Federation I cordially welcome to Krakow all participants of the 2019 ICF Junior and Under 23 Canoe Slalom World Championships.

Since 2002 the City of Krakow and Kolna Canoe Slalom Course have been the heart of Polish and European Canoe Slalom. It is here where many generations of talented athletes, Olympic and international medallists have been developing their sports skills. I believe that taking part in this World Championships will be an important stage in sports career of all competitors.

I wish you an enjoyable stay in Krakow and true satisfaction from participation in this J&U23 World Championships.

*Tadeusz Wroblewski
President of Polish Canoe Federation*
