## 16. Race information

### A. Pre start procedure

- There will be a clock facing the lake.

### B. Start procedure

- Athletes may move to the start position once the previous Athlete has broken the beam but must be at the start position 15 seconds before their start.
- The start position is located below the pontoon on river right (yellow pontoon).
- Athletes must start facing downstream.
- In the team events, the 2<sup>nd</sup> athlete holds the handle on the left side of the pontoon and the 3<sup>rd</sup> athletes must start in a stationary position on the left bank below the building.
- The beam line is located at the top of the first drop.
- At the start, there will be a countdown clock (right bank) showing the time to start. There will be an acoustic signal (10 seconds before start - 4 shorts, 1 long - start).
- Athletes must start **within 3 seconds of** their start time.

- At all times, the athletes must follow the Starter's instruction, or they may be disqualified for the run.

## C. Finish

- The finish beam is marked by the two yellow flags on the bank.
- Athletes must exit via the ramp at the equipment control and pass through equipment control, kiss and cry and the mixed zone.
- Athletes must not leave the finish zone until dismissed by the Equipment Control Judge once they are no longer needed for the ceremonies, anti-doping or equipment control.
- During the finals, the leading athletes must proceed to the "Kiss and Cry" area located after equipment control where TV will interview them.
- There will be access to the broadcast feed in this area. If they drop out of the lead the new leaders will replace them.
- They then proceed via the mixed zone.

## D. Start procedure – team events

10.1.4 - In the team runs, all boats must be stationary. The boat in the start gate must activate the timing of the run. The boat can be either A, B, or C

## E. Enquiry

11.1.2 - In team events, one (1) enquiry per team will be allowed.

11.1.3 - A National Federation may enquire on another National Federation one (1) time during the entire competition.

**The entire competition consists of team events and individual events.**

### 17. Technical Video Service – set up schedule

- The Technical Video Service will be available at the TVS tent from 14.30 on Tuesday 24<sup>th</sup> September.
- Please ensure your team comes between 14.30 and 16.30 on Tuesday 24<sup>th</sup> September to check their equipment with the signal.
- Remember: to ensure all the systems are working under full load, Teams need to be set up at least 30 minutes prior to the competition each day – even if you are not competing until the afternoon.
- During demonstration runs **only** full length will be filmed and distributed.
- Team members must stay outside the cameras view during the filming of demonstration runs.
- The TVS coordinator will define the switch positions between each camera after the full-length demonstration run in consultation with National Federations in the TVS room. Once decided this switch plan must remain the same during the relevant phase of the competition.

### 18. Athlete's video and photo for TV graphics and sport presentation

- The ICF is planning to shoot a short video (8s without sound) of each athlete to be used during final phases.
- After heats the missing athletes accessing to semi final will be requested to go the green screen studio at the athlete's lounge on Thursday 26<sup>th</sup> September and Friday 27<sup>th</sup> September.
- Each team leader will inform via WhatsApp.
- The ICF requests the outstanding athletes to attend this short shooting session (maximum 2 minutes) with the national uniform following the provided schedule in the athlete's lounge.
