***2020 ICF CANOE  
SPRINT WORLD  
CHAMPIONSHIPS  
SZEGED***

For the first time ever the International Canoe Federation will conduct a canoe sprint world championships in 2020 for non-Olympic events.

The race for gold will be wide open, with entry restricted to athletes who are not racing at the Tokyo Olympics. The ICF wants to provide an incentive for the many athletes who have trained and competed hard during the past Olympic cycle but fell short of qualification.

Many of those athletes will have already turned their attention to Paris 2024, and the non-Olympic world championships will be a perfect way to kick-start that campaign. All the events which are not part of the Tokyo 2020 program will be included on the timetable.

The Olympic Regatta Centre of Szeged is looking forward to welcoming the most prominent sprint canoeing athletes from all around the world, with renewed facilities and special purposed-built areas, offering a wide range of comfort and accessibility for the athletes, teams and spectators as well. We do hope that you are all come prepared and looking forward to representing and bringing joy to your countries, national teams, families and friends on the world stage in Szeged, again.

Entitled as the capital of sprint canoeing, Szeged is the seat of Csongrád County and the fourth largest city in Hungary. It is situated near the south-eastern border of Hungary right by the Tisza River. A large part of the town lies on the right bank, while Újszeged (New Szeged), a suburban district of residential homes and parks is on the left bank of the Tisza. Szeged is the cultural and economic centre of South-Eastern Hungary and a thriving university town, which is also famous for its open-air theatre. The city centre is marked by the medieval Tower of St. Demetrius and the stately twin spires of the Votive Church. This cathedral was built in the first decades of the 20<sup>th</sup> century to commemorate the revival of the city after the devastating flood of the river in 1879. By Hungarian standards, Szeged is a large city, with a population of 177,000. The climate is very favourable of canoeing; the annual mean temperature being about 11 °C (52F), somewhat higher than in the rest of the country. Szeged is sometimes called the City of Sunshine as there is an average of 2,000 hours of sunshine annually.
