Invitation to 2021 Segre Canoe Slalom Cup

The Organizing Committee of the 8th **Segre Canoe Slalom Cup** cordially invites you to attend the canoe slalom competitions that will be held in November 2021.

The Segre river runs from la Seu d'Urgell to Ponts at 70 km distance, coming from the Pyrenean mountain range that border France and Spain. Both sites have a long canoe slalom tradition. La Seu d'Urgell was a former Olympic venue for Barcelona 1992 Olympic Games on the Parc Olímpic del Segre. Ponts have an active canoe club since more than thirty years and in 2012 has improved the slalom site.

The travelling distances between the competition sites are 50 minutes. There is flexibility to combine athletes schedules and accommodation preferences.

The competition races are sport orientated, to be useful for slalom training and improvement of technical performance. The individual inscription gives wider opportunities to participate and combine sport schedule. The competitions are included in the ICF calendar. In three days of intense activity there are offered two technical competitions of the highest level.

The Segre Canoe Slalom Cup Organizing Committee welcomes you to join our events 2021.

ORGANIZING COMMITTEE:

Joaquim GREGORI

President of the club Nàutic Mig Segre

Agustí CUCURULLS

Chief Official of Segre Canoe Slalom Cup

Marc VICENTE CASES

President of the Club Cadí Canoe Kayak

Francesc GANYET SOLÉ

Manager of Parc Olímpic del Segre

Ponts White Water Stadium

Ponts has a tradition of over 25 years organizing white water canoe slalom competition events and since 2012; the city is proud of its brand-new white-water course which offers a new dimension in terms of competition hosted.

Ponts White Water stadium is constructed in a Segre River. The slalom course specific features are as follows:

- Length : 300m
- Breadth : 8 - 10 m
- Drop : 4 m from start to finish
- Flow : 20 m³

The flow will be regulated by hydroelectric equipment located within 3 km upstream of the venue.

We have already hosted the 2012 and 2013 National Slalom Championship and other regional competitions.

The whitewater stadium is also becoming an ideal place for training for teams of Spain and many foreign nations.

The 2017 Segre Canoe Slalom Cup will be held at the renowned Site of Ponts and sustains the development of whitewater activities which are an important vector of local tourism.

Parc Olímpic del Segre

The Parc Olímpic del Segre is constructed in a branch of the river Segre, which was re-channeled after the damage caused by the exceptional flood of 1982. The slalom course's specific features are as follows:

- Length: 300 m
- Drop: 6,5 m
- Flow: 10 m³/s
- Course features: concrete bottom, banks and obstacles of natural boulders
- Spectators' capacity: 5.000 people

The Competition Course is accompanied by a beginner's course which is 130 m long with a drop of 1,5 m. The designed flow ranges from 3 to 10 m³/s.

The design of the artificial canals includes a system of complementary canals and mechanical conveyor belts which enable canoeists to return to their starting point without having to leave their boats. The dynamic conception of the whole facilities leads to intensive use all year round and separation of canoeists according to their levels of skill and ability.

The drop in the Slalom course is created naturally via channels that branch from the river Segre, with a very gentle slope. The feeder canal, 165 in length, and mainly the flat water canal, 650 m in length and 20 m in width, are set aside for training in flat water canoeing and the necessary practice that sport lovers require in waters with a steady current.

How to get La Seu d'Urgell(Spain)

GPS:

Latitude 42,22N / Longitude 1,28E

La Seu d'Urgell is placed at 10 km of Andorra and 200 km of Barcelona
