START YOUR REGISTRATION

We have closed the door to 2020 and look forward to being back to big events on the water in 2021. The organizing committee for the 2021 ICF Canoe Sprint and Para Canoe World Championships in Denmark is working on the best possible conditions for athletes, coaches, and spectators.

In the following pages you, among others, will find information on hotel reservations. We urge you to book your accommodations early to secure your preferred hotel as there are limited hotel rooms available in the various hotel categories.

SAFETY

Safety is our highest priority. No one knows what the future will bring in terms of safety, restrictions, and requirements in September 2021. However, we are doing our best to be prepared for any known scenarios. We ensure you that we will be in line with recommendations and restrictions from WHO, the Danish Government, and ICF. In December 2020, Denmark hosted the European Championship in Handball. This championship was flawless in terms of safety and especially keeping Covid-19 away from anyone involved. We are working closely with all major sports events in Denmark in 2021 as well as the International Canoe Federation to secure your safety in an innovative and appealing setting.

We will keep you informed on our website: www.canoeicf.com/Denmark2021 with any major changes to the athlete and the spectator experience in Denmark.
