

ICF EUROPEAN OLYMPIC QUALIFIER

ICF CANOE SPRINT AND PARACANOE WORLD CUP

ICF CANOE SPRINT AND
PARACANOE WORLD CUP

DEAR SPORTS FRIENDS,

This year has turned out in a completely different way than everyone had expected; and as it seems it is not over yet. Many of us had to overcome many obstacles caused by this pandemic situation, and the world of sports has also been hit hard. However, we never stopped believing and kept working hard to provide the opportunity for everyone willing to compete in 2020 even in these extraordinary times, and Szeged was able to host the Olympic Hopes Regatta and the 2020 World Cup with the appropriate safety measures.

As a consequence of this unprecedented situation, the road to the Tokyo Olympics will continue next year, thus passing by Szeged in terms of European quotas. We have once managed to organize international canoe competitions in Hungary safely and at a high level, and I believe that with our existing experience we will be able to provide the best and safest conditions again. We are truly honoured to be able to welcome the evergrowing canoe family at the Maty-ér Regatta Course between 12th – 16th May 2021 with the usual buzzing atmosphere and Hungarian hospitality.

I wish good health and all the best to you all and cannot wait to see everyone in Szeged next May!

Best regards,

Gábor Schmidt
Chairman of the OC

CITY OF SZEGED

Entitled as the capital of sprint canoeing, Szeged is the seat of Csongrád County and the fourth largest city in Hungary. It is situated near the south-eastern border of Hungary right by the Tisza River. A large part of the town lies on the right bank, while Újszeged (New Szeged), a suburban district of residential homes and parks is on the left bank of the Tisza. Szeged is the cultural and economic centre of South-Eastern Hungary and a thriving university town, which is also famous for its open-air theatre. The city centre is marked by the medieval Tower of St. Demetrius and the stately twin spires of the Votive Church. This cathedral was built in the first decades of the 20th century to commemorate the revival of the city after the devastating flood of the river in 1879. By Hungarian standards, Szeged is a large city, with a population of 177,000. The climate is very favourable of canoeing; the annual mean temperature being about 11 °C (52F), somewhat higher than in the rest of the country. Szeged is sometimes called the City of Sunshine as there is an average of 2,000 hours of sunshine annually.
