WORDS OF WELCOME

Andrej Ribič

*President of the
Canoe Federation of Slovenia*

*President of the
Organising Committee*

Dear canoeing friends,

We are delighted to welcome you all in Ljubljana - Tacen at the 2022 ICF Canoe Slalom World Cup race, the third one of the season and the last one before the ICF Canoe Slalom World Championships takes place in Augsburg exactly 50 years after the 1972 Munich Olympic Games.

Last year we successfully organised the 2021 ICF Junior and U23 Canoe Slalom World Championships, the first junior and U23 championships to be held on the Sava River, and this year we are excited to see the world's best canoe slalom paddlers on the Slovenian rapids in Tacen again.

The competition will be held under special conditions and safety protocols will be in place to protect the health of all participants in the best possible way, as we are now used from the past two seasons.

Tacen is a venue with a rich history. A history of wildwater sport spanning for 90 years has made canoeing one of the most successful sports in Slovenia. This inspires us to invest new energy to this legendary canoe slalom course which saw World and European Championships as well as World Cup races.

Canoe Federation of Slovenia and the Organising Committee – SLOKA 2022 are delighted to welcome all national teams and athletes to the competition and we hope that the 2022 ICF Canoe Slalom World Cup race held on the slalom course in Ljubljana - Tacen will see excellent competition and memorable sporting moments for your team.
