DEAR FRIENDS,

The Canoe '22 Society is thrilled to officially invite the world to Lake Banook for the 2022 ICF Canoe Sprint and Paracanoe World Championships, taking place from August 3–7, 2022.

Located in the heart of Dartmouth, Lake Banook is a naturally occurring lake which hosts three distinct sprint canoe clubs. The lake is steeped in history and has provided opportunities for sprint paddlers since 1904, with the creation of the lake's oldest club, Banook Canoe Club. Lined with a boardwalk adjacent to the racing course, Lake Banook provides the ultimate spectator experience—perfect for the local community whose passion for canoeing spans over a century.

Equipped with a beautiful race course and modern sports facilities, Lake Banook regularly serves as a hub for elite training programs, local events and

national competitions. We look forward to hosting the world on Lake Banook for a third time, after holding successful World Championships in both 1997 and 2009.

The Canoe '22 team recognizes that Panuk (Lake Banook) is located in Mi'kma'ki, the ancestral and traditional territory of the Mi'kmaq people. We acknowledge them as the past, present and future caretakers of this land, and we are grateful for the opportunity to further educate the world on Indigenous culture and the history of both Punamu'kwati'jk (Dartmouth), and the gwi'tn (canoe). Throughout this document, we will continue to recognize the traditional Mi'kmaw place names.

On behalf of Canoe '22,

P'JILASI, BIENVENUE, AND WELCOME

AIRPORT

Halifax Stanfield Airport (YHZ) is 20 minutes by ground transportation to the racing venue at Lake Banook, and 15 to 20 minutes to accommodation venues.

LOCATION

ABOUT DARTMOUTH (PUNAMU'KWATI'JK)

Affectionately known as the “City of Lakes”, Dartmouth, Nova Scotia contains 23 distinctive lakes, each with their own unique natural features and surroundings. Dartmouth is home to four of Nova Scotia’s eight sprint canoe clubs, also serving as a training hub for national team athletes.

Located just across the harbour from Halifax’s bustling core, Dartmouth offers a different experience entirely—combining modern shops, eateries and cafés with forests, trails and waterways. With only minutes of travel, visitors can trade-in the small but mighty downtown area for the quiet and calm of Dartmouth’s parks and beaches.

ABOUT LAKE BANOOK (PANUK)

Lake Banook is rich in both sprint canoe history and modern usage. It is a natural freshwater lake, which is part of a system of lakes and canals that connect the Halifax Harbour to the Bay of Fundy—a distance that spans over 114 km.

Here, you’ll find three separate canoe clubs—Mic Mac, Senobe and Banook. Each has its own stories, histories and champions, dating back to the

creation of the Banook Canoe Club in 1904. The lake frequently plays host to provincial, national and international competitions for various age groups and abilities, most notably the World Junior Canoe Sprint Championships in 1989, the World Marathon Canoe Championships in 2001 and the Senior World Canoe Sprint Championships in 1997 and 2009.

FACILITIES

The competition racecourse is situated on Lake Banook (Panuk), a naturally occurring lake that plays home to three separate canoe clubs. Canoe '22's athletes' village, disembarkment, medal presentations and festival are centred around the finish area at the base of the lake, creating the electrifying environment appropriate for the 2022 ICF Canoe Sprint and Paracanoe World Championships.
