INFORMATION FOR OFFICIALS

WHEN YOU ARE EXPECTED TO COME

ITOs should plan to arrive in Prague on Thursday, June 8 in the morning as the first official ITOs meeting will take place at 11:00 AM on Thursday.

In general, all ITOs are asked to attend all their meetings, demonstration runs, and rehearsals starting on Thursday, June 8, and to be prepared to work at the races approximately from 7-8 AM to 4-7 PM during the other three competition days. There will be a short debriefing after the end of the event every competition day.

Please be prepared to play any ITO role in case of some last-minute relocations if someone can't travel or be available.

VISA AND ENTRY TO THE CZECH REPUBLIC

The Czech Republic became a member of the EU in 2004. There are different rules for citizens of other EU member countries than for tourists from other parts of the world. Everyone must always carry ID.

Czech Republic entry ban on Russians and Belarussians

Starting 25th October 2022 Russians and Belarussians with valid Schengen visas for tourism, sport, and culture are not allowed entry into the territory of the Czech Republic. The Czech Republic had stopped issuing visas to Russians and Belarussians in February 2022, therefore this ban will affect those with visas issued in other Schengen area countries. This regulation is most likely to affect Russians and Belarussians arriving at Prague airport.

Covid 19 Protective Measures

As of 9th April 2022, the protective measures regarding the conditions of entry into the Czech Republic in relation to the epidemic of covid-19 have been suspended. Entry into the Czech Republic is no longer subject to any special epidemiological conditions to prevent the spread of the disease.

ARRIVALS AND DEPARTURES

The organizer can provide transportation from/to the airport in Prague (or train or bus station in Prague). **If you need this kind of transportation, please let us know your travel details**, so we can arrange the shuttle from/to the airport.

Please, write down *your* expected arrival/departure day and hour, flight numbers (even if you do not need transportation) plus if you require transport from/to the airport, and other relevant information you may find important. Please, do not forget to enter your clothes size (see the UNIFORMS paragraph).

Upon your arrival to the airport please look for someone with the logo of the ICF CSL World Cup. Just in case you will not be able to find anybody waiting for you, call PAVEL KUBRICAN – the transport coordinator – who will arrange what is needed. His phone number is +420 721 664 733.
