ICF CSL World Championships Foix

OFFICIAL COMMUNICATION

Item – 2

SUBJECT	Competition – Interruption (lightning and thunderstorm)
----------------	--

Dear Participants, Teams Leaders and associated Staff

Due to lightning and thunderstorms in the close area, the WXI1 Junior interval is shortened to 00:00:40 so we can complete the category.

The MXI1 Junior will start once the weather has improved. We will communicate at 15:00.

Thanks for your understanding.
