Greeting

President of the Japan Canoe Federation

Soon comes Paris 2024 next year. “Games wide open” implies not only wide physical space of the venues but also each one of us should open our heart widely and understand with each other especially our world has been in turmoil.

This Asian Championships has another role as the Continental Qualifier for Canoe Sprint where we open our heart to get together as one.

The Sea Forest Waterway in Koto City, the venue for Tokyo 2020, was highly appreciated by the athletes, NOCs from all over the world and the ICF.

It is extremely significant that we will hold the Asian Championships at the same venue for Tokyo 2020 so that we would succeed and further develop the wonderful legacy of Tokyo 2020.

In Canoe Sprint discipline, the Asian continent has made the remarkable progress in recent years, and we look forward to seeing their performances at next Paris 2024. I sincerely hope that all the athletes will do their best with the fair play spirit, and that they will deepen their friendships through Olympics sports with their heart opened.

I would like to convey the message of “Hard work pays off” to all the athletes. We support everyone who tries their best.

Tatsuo FUKUDA

President of the Japan Canoe Federation

General Information of Tokyo, Japan

Japan is an archipelago, or string of islands, on the eastern edge of Asia. There are four main islands – Hokkaido, Honshu, Shikoku and Kyushu. Tokyo is the capital city of Japan and is located on the Pacific coast of central Honshu. Almost four-fifths of Japan is covered with mountains. The Japanese Alps run down the center of Honshu. The highest peak and Japan’s most famous mountain is Mount Fuji, a cone-shaped volcano considered sacred by many Japanese.

Remarks from the Qualification System

- For details, please refer to the [full document](#)

D.3.3.7. Reallocation of places released through “doubling ups” in different events

If an athlete qualifies for more than one (1) athlete quota place in different boat classes (i.e. K1 and K2 or C1 and C2) at the Continental Qualification Competitions, the athlete's NOC will be allocated only one (1) athlete quota place. This shall be an athlete quota place in the event with the larger boat class out of the events in which the athlete qualified. The released athlete quota place will be allocated to the next best ranked NOC not yet qualified in the smaller boat class (i.e. from C2 to C1) of the relevant event.

D.3.3.8. Maximum Quota places at Continental Qualification Competitions

An NOC can qualify a maximum of two (2) athlete quota places in each category, that is, Kayak men, Kayak women, Canoe men and Canoe women at the Continental Qualification Competitions. The unused athlete quota places will be allocated to the next highest ranked NOC not yet qualified in the K1 or C1 event of that gender.
