

A group of about ten people are kayaking on a calm lake. They are wearing life jackets and hats. The kayakers are in various colored kayaks, including red, blue, and yellow. The background features a dense forest of evergreen trees on the left and a line of trees on the right, with a clear blue sky and scattered white clouds above. The water is still, reflecting the sky and the surrounding landscape. The text "Japan Paracanoë Association" is centered over the image.
