### **5.6 Retirement and Return to Competition**

**5.6.1** An Athlete who has been identified by the ICF for inclusion in the ICF's Registered Testing Pool shall comply with the whereabouts requirements of the International Standard for Testing until he or she receives written notice from the ICF that he or she is no longer included in the ICF Registered Testing Pool for reasons of retirement (the Athlete has to give written notice to the ICF that he or she has retired) or non- fulfillment of the criteria for inclusion in the ICF Registered Testing Pool.

**5.6.2** An Athlete who has given notice of retirement to the ICF may not resume competing unless he or she notifies the ICF at least six months before he or she expects to return to competition and makes him/herself available for unannounced Out-of-Competition Testing, including (if requested) complying with the whereabouts requirements of the International Standard for Testing, at any time during the period before actual return to competition.

**Always moving forward**
