- Official Communication 1

Entry into Germany

Please respect the current regulations for travellers when entering Germany.

www.bundesgesundheitsministerium.de/en/service/gesetze-und-verordnungen/guv-19-lp/coronavirus-einreiseverordnung.html

From the 1st of June to the 31st of August 2022, the Coronavirus Entry Regulations have been suspended. Entry into Germany is not subject to any special epidemiological conditions unless when travelling from a virus variant area. Currently no countries are listed as variant area.

Covid-19 regulations in effect in Bavaria, Germany

- Rules of quarantine/isolation apply for infected/positively tested persons
- Obligation to wear FFP2 masks in public transport
- Voluntary protection concepts for certain facilities are possible, e.g. for public buildings
- At a glance:
<https://www.muenchen.de/int/en/events/corona-virus-current-rules-regulations.html>

Sustainability

ICF Carbon Footprinting Google Form

<https://forms.gle/j3A6j1wfqyXVxqvB6>

Please complete [this simple google form](#) to log all travel details for yourself / if you are a team leader complete it for all team members. The accreditation team will check to see if the form is completed, if you do not fill this out ahead of time you will be asked to complete it before finishing the accreditation. To save time, please complete this beforehand.

Why we are asking for this information

Events release high levels of carbon dioxide emissions into the atmosphere. This imbalance of greenhouse gases [contributes to the warming](#) of the planet, causes drastic changes to our weather patterns and changes the way many of us live.

As Environmental Action partners, ICF and [Starboard](#) work together to make the travel emissions of every ICF World Championship or World Cup climate neutral by planting 1 mangrove tree for every 1 tonne identified in calculations. This action grows bigger with each event, where 10 mangroves will be planted for every 1 tonne emitted. Over the next 20 to 25 years, mangroves will absorb the amount emitted from these events. Look at last year's carbon footprint report [here](#). Thank you for helping us in our mission!

Official Training

Schedule

For the latest version of the training schedule, please visit the ICF event website

canoeicf.com/canoe-slalom-world-championships/augsburg-2022/training

19 July to 26 July 2022

3rd official WCH training period

Medical Services

Our partner "Hessing Kliniken" will provide physiotherapy at the athletes centre from Tuesday, 19 July 2022. For participants there is also a fast lane for emergencies.

www.hessing-kliniken.de

Water Rescue

Qualified water safety personnel will be on the banks. During the official training the crew will be smaller than at the competition. To help alert the safety personnel at their outpost there are signal horns at various spots on site.

CSLX Kayaks

There are CSLX kayaks and spraydecks available from Tuesday, 19 July 2022.
