## PRESIDENT'S WORDS

For many years, the French Canoe Federation gained a lot of competences in hosting international competitions of great quality. The history in Pau began in 2009 with the ICF Canoe Slalom World Cup at the new inaugurated Whitewater stadium of Pau-Pyrénées. Then, it never ends to confirm the trust the international governing bodies of canoeing put in the Pau Organising Committee and in the French Canoe Federation.

Building on the success of the previous World Cups organized in 2015, 2016, the World Championship in 2017, and the European Championship in 2019, the city of Pau is keen to prepare a magnificent program with the greatest athletes in the world.

Despite the postponement of the competition due to the COVID-19 pandemic, it is with the same enthusiasm and the same passion that French Canoe Federation and Pau Béarn Pyrénées urban community will work together in order to lead a new exciting project.

We hope to see you soon in Pau!

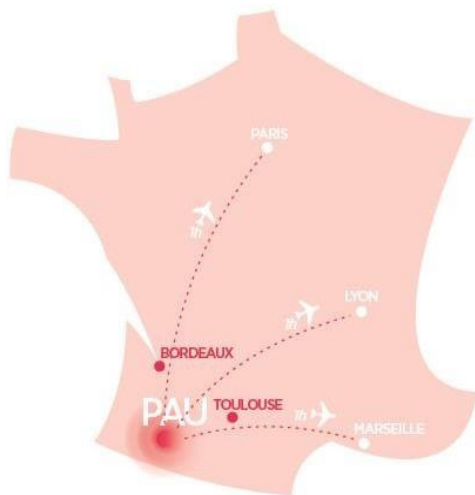

Jean ZOUNGRANA,  
French Canoe Federation President

François BAYROU,  
Mayor of Pau
