## 15. Start and Finish location and procedure

### A. Start procedure – individual events

- Boat will be held at the stair.
- Athletes are responsible to get themselves to the start position on time.
- There will be a clock facing upstream into the warm-up area showing race time and the next athletes to start.
- One boat at the start and the following competitor could stay behind the pontoon.
- The beam line is just before the first drop.
- At the start, there will be a countdown clock (left bank) showing the time to start. There will be an acoustic signal (10 seconds before start - 4 shorts, 1 long - start).
- Athletes must start within 3 seconds of their start time.

Red light → the athlete **can't** leave the start position

Green light → the athlete **can** leave the start position

- At all times, the athletes must follow the Starter's instruction, or they may be disqualified for the run.
- The course is closed 15 minutes before the first competitor.

## **B. Start procedure – team events**

- All boats will be held at the start.
- It doesn't matter which of the three boats cross the start line at first. All boats must pass the start within 10 seconds from the "0".

## **C. Finish**

- The beam line will be indicated by two yellow poles.
- Athletes must exit on the river left and pass through equipment control and for Final the mixed zone.
- Athletes must not leave the finish zone until dismissed by the equipment control judge once they are no longer needed for the ceremonies, anti-doping or equipment control.
- As soon the athletes leave the boats at the finish they maybe be required for a quick comment regarding their run then for finals the leading athlete must proceed to the Mixed Zone area.
- In the Mixed Zone area, they will be interviewed by TV. There will be access to results and TV signal. If they drop out of the three first positions then they will be replaced by the new athlete.
- During this process, each athlete must wear his competition bibs.
