Informational Bulletin & Framework Competition Program

Published July 31, 2025

Dear Sport Friends,

We are delighted to once again host the 2025 ICF Canoe Slalom World Ranking Competition in Prague, taking place from August 15 to 17. It is our great pleasure to welcome a wide range of canoe slalom athletes to this exciting event. Czech canoeing is fully prepared to host all National Teams for both training and competition. We sincerely hope that racing on the artificial whitewater course in Prague–Troja will lead to outstanding performances, cheered on by our famously passionate Prague fans. Now in its 7th edition, this race promises to be another special occasion. Once again, the program will include the new Olympic discipline of Kayak Cross, as well as the thrilling Short Slalom Race—an unofficial side event designed to provide even more racing excitement for all competitors. Please find below a summary of the most important information. We look forward to welcoming you to Prague!
