BULLETIN

Dear teams,

We have received information that **strong winds** are forecast for the upcoming Sunday, April 6th. As the organizers, we would like to inform you that we may be forced to adjust the competition schedule. If the weather forecast proves correct, we would switch the days, holding the 2025 ICF WORLD SLALOM RANKING SOLKAN on Saturday, April 5th, and the INTERNATIONAL OPEN on Sunday. The final decision will be made with you at the team leaders' meeting, which will take place as scheduled on Friday, April 4th, at 17:15 at the Solkan Canoe Center.
