AWARDS: They will be given at the end of all scheduled races. A category will be established and medals will be awarded, with a minimum of three registered athletes.

ANTI-DOPING: Anti-doping controls may be carried out during the event by both NADO and the Italian Ministry of Health. Anti-Doping Investigation Inspectors (NAS personnel accredited by NADO - ITALY) may also be present, with the functions and prerogatives established by the art. 23 of the Anti-Doping Sports Regulations (Circular 08/2016)

CANOTTIERI
PADOVA
1909

NOTE:

- The race program and the starting modalities will be presented during the team leaders meeting;
- The weight control of the boats can be made after each arrival;
- The use of a life jacket is mandatory for categories U16;
- Boats must be rendered unsinkable;
- The use of suitable footwear for portages is recommended (not barefoot).
- The event will take place in the presence of any weather condition that does not affect the safety and health of the participants. If, due to force majeure or any other cause not attributable to the organization, the event does not take place, the participation fee will not be refunded.
- You can register for the Padova Water Marathon amateur event. For this and other information, visit www.padovawatermarathon.it
