II. REMINDER CONCERNING THE 2022 ICF RANKING RELEASE #1

A. ICF Board of Directors decision (6 May 2020)

Following recommendations from the ICF Secretary General and the ICF Canoe Slalom Committee, the ICF Board of Directors agreed to freeze the ICF Canoe Slalom Ranking from 15 February 2020 until 1 September 2021 to ensure fair access for all athletes to the ranking.

There were no ICF ranking points allocated for competitions in this period except for the Tokyo 2020 Olympic Games: being a competition where all who qualified competed equally.

B. Consequences for the calculation

The current two-year ranking period covers events in the up to 18 months prior to 15 February 2020, (already calculated in ICF CSL Ranking release 2021-2) and then from 1 September 2021 (plus the Tokyo2020 Olympic Games) until the 2022 release date.

III. COVID19 PANDEMIC & POTENTIAL IMPACT ON THE 2022 ICF RANKING COMPETITIONS

The ICF acknowledges that the COVID19 pandemic will still affect Canoe Slalom competitions during the 2022 season.

The competition cancellation policy will be applied following a decision between each Host National Federation and Host Organising Committee after reviewing the situation with the ICF.

The assessment of the situation will be conducted monthly on the 20th of each month for the future competitions.

IV. ENTRIES FOR LEVEL 3 COMPETITION

Entries are open without limitation of the number of boats per event and per federation. However, the Host National Federation can limit the number of boats per event per Federation to not less than 6 boats per event. This must be recorded on the calendar when the entries open on SDP and included in the 1st information bulletin. Two weeks before the closing deadline, the limit will be reviewed and may be extended.

This rule means that:

- Each participating boat will gain International Ranking points.
- National Federations must do entries through the ICF online entries system (SDP).

The ICF Canoe Slalom Committee limits each nation to hosting no more than two international ranking races (level 3) in any calendar year.
