Rules 2024

Updated version on the [ICF website](#)

Minor modifications, especially to solve particular ranking cases

- Chapter 10,12 and 16 amended for Paris 2024 Olympic Games.
- Approved by the ICF Board of Directors and the Olympic Results and Information Service (ORIS)

+ The CSL Committee will publish a **Kayak Cross Specific Guidelines** by beginning of May to clarify on water behaviours and their respective sanctions.

Main principle in Kayak Cross Judging: ITOs act as referees.

Their assessment is based on their appreciation of the situation as in soccer, rugby and other sport.

Athletes must be aware of that appreciation process. ITO's decision must be respected at all times.
