

Dunaremete Wildwater OPEN 2026
5-6th June, Dunaremete, Hungary

Be a part of the
Senior World Cup!!!

WELCOME FROM ORGANIZERS

It is a great pleasure to welcome you all to Dunaremete for the 2026 Dunaremete Wildwater Open. We are proud that Hungary has the opportunity to host a Wildwater World Cup and we would like to share this experience with U14 kids and masters' athletes.

Although Dunaremete is a small village, it holds a special place in Hungarian canoeing as the home of the country's first slalom and wildwater course. Set in a unique natural environment and regulated to provide safe and reliable racing conditions, the course offers an ideal stage for all events. We believe that competing here will be a memorable experience for athletes, teams, and spectators alike.

Our aim is to deliver an event that combines high sporting standards with a friendly and open atmosphere. The 2026 ICF Wildwater Canoeing World Cup is not only about top-level competition, but also about bringing the international wildwater canoeing community together—sharing knowledge, building connections, and inspiring the next generation of paddlers in a discipline that is still developing in Hungary. Building on strong tradition of hosting major international canoeing events, including World Championships and World Cups across several disciplines, we are proud to continue this legacy and to contribute to the growth and visibility of wildwater canoeing both nationally and internationally.

*We wish all participants good health, successful preparation, and exciting races.
Above all, we hope you enjoy your time in Dunaremete—on and off the water.*

LOCATION & ACCESSIBILITY

HOW TO GET THERE

Arrival by car is possible via the main road network, with direct navigation available through Google Maps to the Dunaremete Slalom Course (Sorjási-bukó).
