Board	Statutes	NEW Article 19		ADD - NEW 19. SPECIAL CONGRESS 1. A Special Congress may adopt written resolutions for a) the approval of the annual financial report, b) the entry into force of a previous Congress decision. 2. The delegates to the Special Congress are entitled to pass written decisions via mail or electronic means, i.e. without a formal meeting of the Congress. Decisions made via written decision-making procedure (postal or electronic) have the same value as those made during a meeting of the ICF Congress. 3. The agenda and the motions for the Special Congress shall be sent out by the ICF Secretary General via e-mail, which must contain information regarding the fact that voting will take place via electronic means, and the consequences of failure to send the vote within the deadline. The members of the Special Congress have 15 days to send their written votes to ICF via e-mail. If a member of the Special Congress does not send its written note within the deadline, the proposal shall automatically be considered as accepted by the member. 4. The ICF is obliged to accept its annual financial report every year. The financial, tax and accounting period of the ICF shall start on 1 January and end on 31 December each year. The acceptance of the financial report falls under the competence of the members of the Congress. 5. The Special Congress is also entitled to decide on the entry into force of one or more previously adopted but not yet effective Congress decisions on any topic (including amendments to the Statutes).	Conditional provision - with effectiveness from the registration of the seat transfer in Hungary.	MODIFICATION REQUIRED	•In Hungary, all entities must prepare financial statements every year that need to be approved by the supreme body. Therefore, under the Financial Rules also the following topics need to be regulated: •ICF' business year ends on 31 December, •the annual reports need to be approved by the Congress, •since the Congress meetings are held every second year only, it is necessary to introduce an accelerated procedure for the purpose of the approval of the annual report (e.g decision-making via electronic means) The annual report must be approved by the highest authority and this new structure and opportunity would present a more transparent a modern approach. • According to Hungarian Law all modification applications to the Court must be submitted within 60 days as of the day when the respective decision is made. Board	Statutes	Chapter I Article 3	6.To establish international championships.	ADD - To promote cordial and friendly relations between its members, to uphold proper operating procedures of the member Federations and Continental Associations to lead and organize canoeing paddling activities throughout the world.' • To organize ICF events, to supervise events organized by its members and to participate in the organization of Olympic and international championship events. • To promote the ideals and objectives behind of the Olympic movements.'	Conditional provision - with effectiveness from the registration of the seat transfer in Hungary.	MODIFICATION REQUIRED	In the Civil Act such economic-business activities are defined as income- or wealth-generating, profit-oriented economic activities conducted on a regular basis, except for: b) activities aimed at achieving the objectives outlined in the deed of foundation (including public benefit activities).The profit before tax derived from the core activities laid down in the deed of foundation of ICF would not be subject to corporate income tax. Therefore, it is crucial to clearly define all the aspects of the activities ICF intends to perform as an association in Hungary in order to reach the envisaged tax exempt status from a corporate income tax perspective.
