2017 ICF Canoe Ocean Racing World Championships

Safety Measures

According to competition rules of ICF Canoe Ocean Racing World Championships, all athletes **MUST** comply with Chapter 29 as below:

29.1

All competitors shall wear a flotation device approved by the race committee from before the start until after the finish of every event.

29.2

Each competitor will carry hydration on their person or attached to their craft, that is deemed sufficient by the safety officer for the duration of the event.

29.3

Depending on the duration of the race, the course, weather and sea conditions, the organizers can make the following equipment compulsory:

- a) A leash (approved by the organizers) attaching the competitor or paddle to their craft
- b) whistle and signaling mirror
- c) pyrotechnic devices such as hand or aerial flares
- d) communication device such as a cell phone or vhf radio
- e) navigation aids such as a compass, GPS or charts
- f) all round white light if the race is expected to start before sunrise or continue after sunset
- g) cable rescue; cable on the bow for towing

29.4

Any competitor failing to observe the safety requirements shall be refused the right to start. If they have started he or she will be disqualified.

2017 ICF Canoe Ocean Racing World Championships

29.5

Every official is required to observe that the safety measures are being adhered to, and to prevent boats or competitors from starting or continuing if they fail to meet the requirements laid down in the race instructions.

29.6

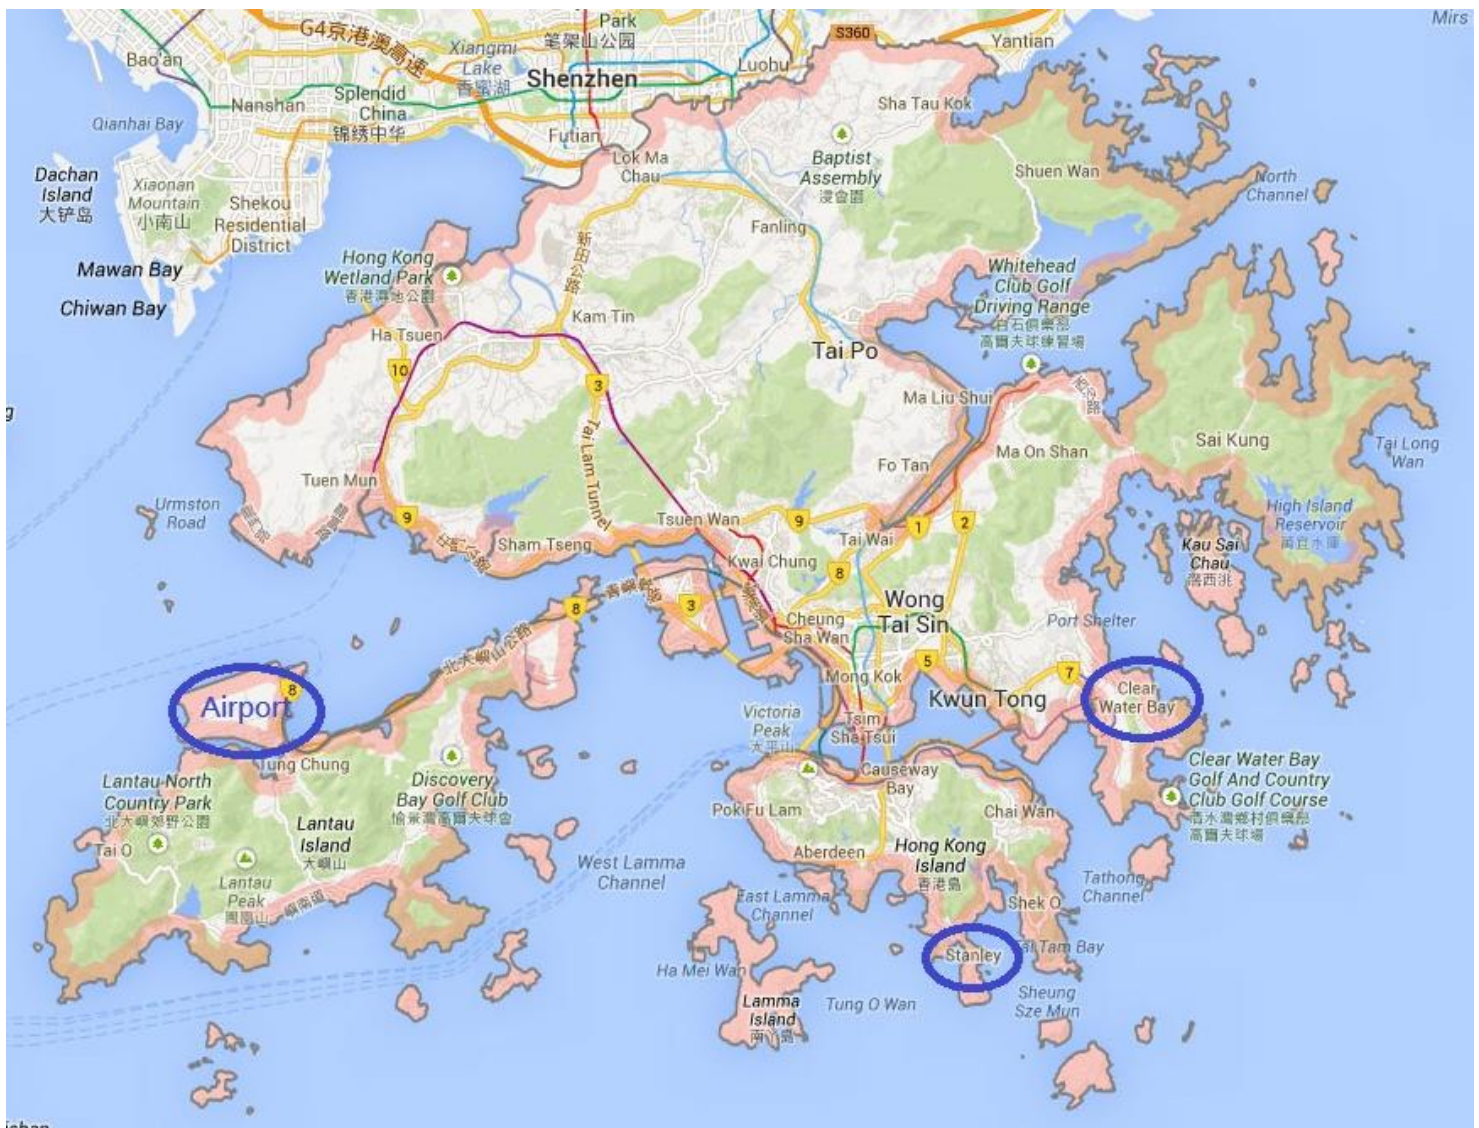

Ocean Racing may involve participants in dangerous situations. It is a requirement that any competitor, seeing another in real danger shall render all assistance in his or her power. Failure to do so may involve disqualification. Time bonuses based on actual delays can be awarded to any competitor providing assistance to a fellow participant.
