

PARACANOE  
2023

**Waiver for Strapping within Boats**

This form applies to all International Canoe Federation Paracanoe Competitions during the 2022 season (Continental championships, World Cups and the ICF World Championships) All athletes who wish to compete in any of the above competitions, and who use strapping in their boats must complete this form before their first competition of the season.

**Please note: ALL strapping must be quick release. If it is not, the athlete may be asked to demonstrate a capsize and escape.**

FEDERATION: .....

ATHLETE COMPETITION NUMBER: .....

ATHLETE NAME: .....

I witness that I am able to quickly and easily release myself from any strapping which holds me in place in my boat, and I would be able to do so should my boat capsize at any time while I am on the water.

I will not hold the **International Canoe Federation or the Continental Association** or the organizing committee, or any of their representatives, responsible for any harm or injury which may occur as a result of the use of strapping in my boat.

ATHLETE SIGNATURE: .....

I witness that this athlete is able to quickly and easily release him/herself from the strapping in his/her boat should it capsize at any time while he/she is on the water. He/she is at no risk of personal harm or injury.

We will not hold the **International Canoe Federation or the Continental Association or the** organizing committee or any of their representatives responsible for any harm or injury which may occur to this athlete as a result of the use of strapping within his/her boat.
