See venue Map attached in appendix 2

9. Closing of the course

The course is closed following the end of official training until the end of the competition.
15 min before 1st start

10. Course approval

The course approval meeting will be at the team leaders meeting. The course must be approved by a simple majority of the present.

11. Bib Distribution

i. Training bibs

- Training bibs must be returned to the team leader lounge before competition bibs will be distributed.

ii. Team events bibs

- Teams events Competition bibs will be available from the team leader lounge between 12.00 and 17:00 on Monday 25 September.
- Athletes must return their bibs
- WWC Competition bibs must be returned to the team leader lounge following the competition for the return of the deposit.
- A bib deposit of 100 euro per nation is required on collection of the bibs.

iii. Individual events bibs

- Individual events Competition bibs will be available from the team leader lounge between 16:00 and 18:00 on Tuesday 26 September.
- Athletes may keep their bibs
- WWC Competition bibs must be returned to the location following the competition for the return of the deposit.
- In C2 events both athletes will wear a bib.
- The bibs are allocated in the following way:

Events	Color	Events	Color
K1M	Red	C1W	Blue
K1W	Mauve (purple)	C2M	Grey
C1M	Brown	C2Mx	Grey

12. Start and Finish location and procedures

A. Start

- There will be pre start control near the boat entry. All participants have to go to the prestart control judge for checking safety equipment
- Athletes is responsible to get themselves to the start position on time.
- There will be a clock facing upstream into the warm up area showing race time and the next athletes to start.
- One boat at the start and the following boat could stay behind the pontoon.
- The beam line is behind the pontoon indicate by a "start" panel.
- The starting boat must be alongside the pontoon in front of the partners panel.
- For each start the paddler will held by himself the pontoon and can release it five second before time start. For C2, the pontoon will be hold by the first paddler.
- At the start, there will be a countdown clock showing the time to start. There will be an acoustic signal (10 seconds before start - 4 shorts, 1 long - start).
- Athletes must start within 3 seconds of their start time.
- At all times, the athletes must follow the Starter's instruction or they may be disqualified for the run.
- The course is closed 15 minutes before the first competitor.
- For team races:
 - Moving backwards not allowed after starting signal
 - Backwards paddling only allowed to hold position.
- Team events:
 - Boats 2 and 3 must not cross ahead of boat 1 before start signal. This will be measurement by an imaginary line through competitors bodies perpendicular to the start pontoon.
 - It doesn't matter which of the three boats cross the start line at first

B. Finish

- The beam line will be indicated by two flags "FFCK" and 2 banners "finish".
- Athletes must exit via the red pontoon and pass through equipment control and for semi final and final phases through the mixed zone.
- Athletes must not leave the finish zone until dismissed by the equipment control judge once they are no longer needed for the ceremonies, anti-doping or equipment control.
- As soon as the athletes leave their boats at the finish they maybe be required for a quick comment regarding their run then for finals the leading athletes must proceed to the "Kiss and Cry" area.
- In the "Kiss and Cry" area, they will be interviewed by TV. There will be access to results and TV signal. If they drop out of the three first positions then they will be replaced by the new athlete.
- During heats, athletes must exit the finish area by the ceremony pontoon.
- During semi final and final phases, athletes must exit the finish area by the stairs along the mixed zone.
- During this process, each athlete has to wear his competition bibs.
- During final phases, each medallist National Federation will receive 3 access pass for special access to the finish zone. These passes are for use by the medallist family or supporters. These passes will be available at the finish zone entrance.

C. Conveyor belt

- During the training slot before each competition period the conveyor belt will be open.
- During the competition the conveyor belt is closed.

13. Start Interval

A. Team events

- All events: 120 seconds

B. Individual events – Canoe Slalom

	Heats	Final
K1W	30 seconds	90 seconds
K1M		
C1M		
C1W	60 seconds	
C2M	30 seconds	
C2W	60 seconds	120 seconds

14. Results

- SiwiData will compile the results using Canoe 123.
- Results will be posted on the official notice at the top of the stairs leading to the scoring office.
- Live results will be available on a viewer at the enquiry desk and in the team leader lounge.
- Live results web address is <http://www.canoeicf.com/canoe-slalom-world-championships/pau-2017/rankings-results>

15. Location of Enquiry / Protest desk, Protest fee

- The Enquiry desk is located at the bottom of the stair in the scoring office.
- Access to this area is limited to accredited Team Leaders only.
- The protest fee is 75 euro or equivalent in local currency
- The Chief Judge will review all the available information for the processing of the enquiry. Following the investigation of the enquiry the decision becomes a matter of fact and therefore cannot be protested further. An Enquiry is considered only when submitted within 20 minutes after the competitor's checklist is posted.

16. Technical Video Service

A. Key periods

- The Technical Video Service will be available at the TVS room from Monday 25 September at 15.00.
- Please ensure your team comes between Monday 25 September between 15.00 and 16.30 to check their equipment with the signal.
- Remember: to ensure all the systems are working under full load, Teams need to be set up at least 30 minutes prior to the competition each day – even if you are not competing until the afternoon.
- Team members must stay outside cameras view during the filming of demonstration runs

B. TVS area

- There will be a standard TVS system with 2 lines of **digital HD PAL** video feed. This will be available through HD-SDI connection. There will also be 2 TV screens with the technical video feed (even, odd).
- Access to TVS tent will be limited to teams' technical staff responsible for capturing video and one Athlete at a time (please, no athletes in wet clothing).
- The organisers will provide only one power socket (Euro standard) per nation, so please bring your own power strip if you need more sockets.
- Technical support: *Hans-Peter Weiss* (ICF TVS Coordinator).

C. How to access TVS?

- A dedicated handbook is available on event website (section "team info") with all details.

17. Equipment measuring and post competition control

- Equipment Control is located at the end of the course (location) and is open for self-checking:
 - Sunday 24 September from 17.30 to 20.00
 - Monday 25 September from 15.00 to 17.30
- Equipment control station can be used also each day of competition 15 minutes before each Wildwater canoeing official training slot.
- There will be **random post equipment control** conducted throughout the heats, all qualified athletes go through equipment control for final.
- Safety advise: airbags must be full pump !!! all other aspects following the rules!

18. Doping control

- The doping control station is located in front of the main entrance of the building.
- Athletes chosen will require their **passport** for identification purposes.
- Athletes will be notified for Doping Control in the Equipment Control area.
- Athletes will be notified for Doping Control in the Equipment Control area.
