

ICF - Olympic Games Specifications

Pre-Games Training

- Pre-Games training periods offer an equal and fair access to the Canoe Slalom venue to all National Olympic Committees.

- ICF basic requirements is **60 days** distributed during the 12 months prior the Olympic Games period.
- This number of days can be subject to discussion between ICF and OCOG depending of the conditions and possibilities of access offered by the Venue Operator the years prior the Olympic Games.
- The final number of days and the calendar is defined at least two years prior the Olympic Games.

- The spreading of the 60 days is organised based on :
 - Test Events date
 - ICF discipline calendar
 - Date of the last Olympic Qualification competition.
 - OCOG constraint to prepare the venue

PREVIOUS GAMES
