Competition Format and Rules

Formato e regras da competição / Format et règles de la compétition

Olympic competition format

Canoe slalom at the Rio 2016 Olympic Games comprises three men's and one women's event:

Olympic competition format			Boat measurements		
Event			Min length	Min width	Min weight
K1	Kayak	Men and women	350cm	60cm	8kg
C1	Canoe single	Men	350cm	60cm	8kg
C2	Canoe double	Men	410cm	75cm	13kg

Competition consists of heats (best of two runs), a semi-final (one run) and a final (one run).

All results are presented in seconds and hundredths, and penalties in seconds.

Progression

Event	Heats	Semifinal	Final
Kayak (K1M) men	21 boats	15 boats	10 boats
Kayak (K1W) women	21 boats	15 boats	10 boats
Canoe single (C1M) men	16 boats	12 boats	10 boats
Canoe double (C2M) men	12 boats	11 boats	10 boats

These figures are fixed, however, there may be an extra boat in the heats under certain conditions.

Race distance and run duration

- Minimum 200 metres.
- The targeted run time is approximately 90 to 115 seconds.

Gates

The course must consist of a minimum of 18 gates and a maximum of 25 gates, of which at least six must be upstream gates.

The gates are 1.2 to 3.5 metres in width, measured between the poles, and must be negotiated in numerical order, starting from 1.

Gates with red and green rings painted on their poles must be negotiated upstream, those with green and white rings have to be negotiated downstream. Additionally, the numbers on the gates are crossed with a red diagonal line on the side opposite to that of correct negotiation.

The complete head of the competitor or competitors must cross the line between the poles in the correct direction and in accordance with the course plan.

Start interval

Start intervals are every three minutes for Olympic Games but can be variable at other ICF competitions.

Starting order

In the heats, athletes/boats start in the reverse order of their ICF canoe slalom world rankings, i.e. the highest ranked athlete starts last. In the semifinal, boats start in reverse order of the rank they obtained in the heats, and in the final in reverse order of the rank they obtained in the semifinal.

Differences between the ICF World Championships and the Olympic Games

At the Olympic Games each NOC is limited to one boat per event. At the International Canoe Federation (ICF) World Championships, the number of participants in each event is maximum of three per National federation and the progression system is different.

There are no team competitions in the Olympic Games.

Changes since the London 2012 Olympic Games

An athlete that qualifies and is selected by their NOC for the Olympic Games can participate in more than one event in canoe slalom at the Olympic Games (including the event that they qualified in) as long as no other athlete/boat from their NOC is in that event.

Sport rules and procedures

Tiebreak rules and procedures

If two or more athletes obtain the same score for their best run in the heats, the score of their other run will resolve the tie. If still tied, the athletes share the ranking and all will qualify for the semifinal.

If athletes are tied in the semifinals, they are given the same ranking and all progress to the final.

Ties in finals remain and medals will be awarded as follows:

- If two boats are tied for gold, both are awarded gold medals and no silver medal is awarded.
- If three or more boats are tied for gold, all will be awarded gold medals and no silver or bronze medals will be awarded.
- If two or more boats are tied for silver, all will be awarded silver medals and no bronze medal will be awarded.
- If two or more boats are tied for bronze, all will be awarded bronze medals.

Penalties

A two-second penalty is given to a boat that correctly negotiates a gate, but touches one or both poles.

A 50-second penalty is given to any boat that:

- Intentionally pushes a gate to allow negotiation.
- Negotiates a gate in the wrong direction.
- Fails to negotiate a gate.
- Negotiates a gate without the head and part of the boat in the gate line simultaneously.

In canoe slalom any boat may start in the second run in the heats, even if the boat did not start (DNS) or did not finish (DNF) the first run, or was disqualified for that run (DSQ-R).

Protests/appeals

For judging and timing matters, a team leader may make one enquiry per boat, per event, with no fee.

The chief judge will review all the available information when processing the enquiry. Whilst an enquiry is in progress there is a * against the score on the results display. Following the investigation of the enquiry the decision of the chief judge becomes a matter of fact, and cannot be protested further. An enquiry must be submitted within five minutes of the posting time of the competitor's checklist result.

Team (boat) member changes

Not allowed (C2M).

Item: 1

Schedule Change

C1M, K1M Heats and C1M Semi-final and Final rescheduled

CS01 - 7/08 Three additional boats (16 -> 19) Heats 1 and Heats 2 require seven minutes and thirty seconds more each (rounded to eight minutes). Break between Heats run is reduced by eight minutes (16 -> 8). Consequently end of the competition session is delayed by eight minutes. CS03 - 9/08 Semi-final for C1 Men is now 14 boats (instead of 12). Six extra minutes are needed. Interval between Semi-final and Final cannot be reduced (1 hour 2 minutes) for technical reasons and athletes recovery. This demands a delay of Final by six minutes as well as ceremony.

Item: 2

Schedule Change

Official training sessions cancelled from 11 a.m. to 5 p.m.

Due to malfunction of the power supply distribution to the pumping station (for both competition and training courses) the water flow delivery has been interrupted. The ICF and Venue Management in consultation with engineers decided to secure time for identifying the defect in order to guarantee 100% full operation throughout the Games. Official training recomences on 5th August as per original schedule.

Schedule and athletes Start Interval updated

Start interval of athletes updated to 2 minutes. This affects the Schedule of C1 Men Heats 2 and K1 Men Heats 1 and 2

The CS01 Heats session competition schedule for C1 Men and K1 Men has been updated. Due to the time needed to complete the session and the light required for the TV production the start interval has been reduced to 2 minutes. A updated start list has been issued.
