WELCOME

From 3rd to 6th June Treignac and the Vézère river will welcome the 2022 ICF Wildwater Canoeing World Championship.

It will be an opportunity for the general public to (re)discover this spectacular site and to come back there 60 years after the first ICF Wildwater Canoeing World Championships in 1959. What a celebration for such an anniversary!

The city of Treignac has already proved its capacity to host events: each year one national event (competition or leisure) takes place on the Pentecost weekend.

Feel free to join us to share together strong emotions and nice sensations through exciting adventure!

The Organising Committee

PRESIDENT'S WORDS

For many years, the French Canoe Federation gained a lot of skills in hosting international events of great quality. The history began here in 1959 with the first World Championships of the discipline. Then, it never ends to confirm the trust the international governing bodies of canoeing put in the Treignac Organising Committee and in the French Canoe Federation.

With the experience of organising the Wildwater World Championship in 2000, the World Cup in 2019 and the World Cup in 2021, the Treignac organising committee seems to be on track to organise a magnificent World Championship in 2022.

It is with the same enthusiasm and the same passion that French Canoe Federation and Treignac will work together in order to lead a new exciting project.

We hope to see you in Treignac along the river!

Gérard COIGNAC,

Mayor of Treignac

Jean ZOUNGRANA,
