15. Start and Finish location and procedure

A. Start procedure – individual events

- There will be no boat holding for individual events.
- Athletes are responsible to get themselves to the start position on time.
- There will be a clock facing upstream into the warm-up area showing race time and the next athletes to start.
- One boat at the start and the following competitor could stay behind the pontoon.
- The beam line is just before the first drop.
- At the start, there will be a countdown clock (left bank) showing the time to start. There will be an acoustic signal (10 seconds before start - 4 shorts, 1 long - start).
- Athletes must start **within 3 seconds of** their start time.

Red light → the athlete **can't** leave the start position

Green light → the athlete **can** leave the start position

- At all times, the athletes must follow the Starter's instruction, or they may be disqualified for the run.
- The course is closed 15 minutes before the first competitor.

B. Start procedure – team events

- Moving backwards not allowed after starting signal
- It doesn't matter which of the three boats cross the start line at first. All boats must pass the start within **10 seconds from the "0"**.

C. Finish

- The beam line will be indicated by two flags.
- Athletes must exit on the river left and pass through equipment control and for Final the mixed zone.
- Athletes must not leave the finish zone until dismissed by the equipment control judge once they are no longer needed for the ceremonies, anti-doping or equipment control.
- As soon the athletes leave the boats at the finish they maybe be required for a quick comment regarding their run then for finals the leading athlete must proceed to the Mixed Zone area.
- In the Mixed Zone area, they will be interviewed by TV. There will be access to results and TV signal. If they drop out of the three first positions then they will be replaced by the new athlete.
- During this process, each athlete must wear his competition bibs.

D. Conveyor belt

- During the training slot and the competition period the conveyor belt will be closed.

16. Start Interval

A. Team events

- All events: 120 seconds

B. Individual events

- Heats: 30 seconds

17. Results

- SIWIDATA will compile the results using Canoe 123.
- Results will be posted on the official notice at the enquiry desk
- Live results will be available on a viewer at the enquiry desk.
- Live results web address is www.canoeicf.com

18. Location of Enquiry / Protest desk, Protest fee

- The Enquiry desk is located in a tent which is next to the team leaders lounge (location on the map)
- Access to this area is limited to accredited Team Leaders only.
- The protest fee is 75 euro or equivalent in local currency
- The Chief Judge will review all the available information for the processing of the enquiry. Following the investigation of the enquiry the decision becomes a matter of fact and therefore cannot be protested further. An Enquiry is considered only when submitted within 20 minutes after the competitor's checklist is posted.

19. Technical Video Service

The Technical Video Service will be available at the TVS tent from 14.30 on Tuesday 24th September.

Please ensure your team comes between 14.30 and 16.30 on Tuesday 24th September to check their equipment with the signal.

Remember: to ensure all the systems are working under full load, Teams need to be set up at least 30 minutes prior to the competition each day – even if you are not competing until the afternoon.

~~During demonstration runs only full length will be filmed and distributed.~~

Team members must stay outside the cameras view during the filming of demonstration runs.

The TVS coordinator will define the switch positions between each camera after the full-length demonstration run in consultation with National Federations in the TVS room. Once decided this switch plan must remain the same during the relevant phase of the competition.

20. Equipment measuring and post competition control

- Equipment Control is located at the end of the course and is open for self-checking:
