

OFFICIAL COMMUNICATION

Item – 5

SUBJECT	CANCELLATION OF SUNDAY COMPETITION
----------------	---

Following the advice of the HOC and ICF officials, the Jury of the competition regrettably announces the cancellation of Sunday's World Cup competition.

The torrential rain and expected water flow from surrounding mountains means water levels will rise dramatically overnight.

Unfortunately, it will be impossible to stage tomorrow's races.

We apologize for the inconvenience.

As per the ICF rules, the final ranking of the ICF canoe slalom World Cup will be based on the heat results in Women Canoe and Men Kayak.

The medal presentation will be tonight at 19.00 at the venue.

Jury Members.
