Dear President and friend,

On behalf of the Olympic family, I would like to extend my sincere congratulations to you on your re-election as President of the International Canoe Federation during the ICF Congress held in Baku today.

Your re-election is an affirmation of the outstanding contribution you have made to the world of canoe throughout the last eight years in your role as ICF President. Thanks to your enthusiasm, dedication and valuable work, your federation has been continuously evolving and put some great effort in sports development.

The IOC appreciates the long-standing relationship with the ICF, and we trust that we will continue this excellent teamwork in the run up to the Youth Olympic Games Buenos Aires 2018 and Olympic Games Tokyo 2020.

We also look forward to continuing the open dialogue with the ICF and working closely together in the on-going development of your sport, your International Federation.

Looking forward to seeing you again soon and wishing you every success for your new term, I remain,

With warm regards

Thomas Bach
