

Canoe Slalom Talent Identification Programme 2016 GUIDELINES

The main aim of the program is to improve each athlete's performance at the various ICF competitions and continuously monitoring their improvement.

The targeted classes are by order of priority K1W, C1W, K1M, C1M and C2M

1. Organization of TIP camps

ICF in cooperation with the concerned Continental Association, the concerned host NF and the concerned event organization committee is providing:

- Free coaching and accreditation
- Free accommodation and catering (except for Summer Tour TIP World)
- Free local transportation

2. Selection criteria's for athletes and NF

The selection of athletes could be done under different format:

- Athlete "**invited**": the athlete is by name invited for the action
- Athlete "**substitute**": the athlete is on the "substitutes list". If an invited athlete is withdrawing, then the spot might be allocated to some substitute athletes
- Athlete "**under NF decision**": a spot is allocated to the NF and it's its choice to give its preferred name.

In any case of reallocation, the balance of gender equity will be a major criteria in the choice.

3. Duties of the NFs

a) Financial

The concerned NF has to support financially:

- The cost of transportation (flight or land-trip) of its athlete and equipment on a return ticket
- The cost of visa fees if needed

A financial support might be found to the concerned NOC.

b) Registration deadline

The concerned NF has to send back the registration form before the given deadline. On the next day of the deadline, the spot will be reallocated to another NF.

Registration file (excel) has to be sent to pierrick.gosselin@gmail.com

c) Equipment

- Each allocated NF has to arrange the transportation of Slalom boat for its athlete. In case, there is no opportunity to carry boat during the trip, a limited number of boats might be lent as long as the information is given in advance.
- Each athlete must come at the training camp with his own paddle, life-jacket, spray-deck and helmet.
