3. Classic and Sprint Competition

Boat measuring and equipment control

The devices for boat measuring will be prepared Monday 09:00 – 12:00 at the sprint finish area. The competitors should check boats for themselves before the race. If you have questions about your material please ask the ITO's to confirm before the race.

Emergency self checking of boats for classic races Thursday 9:00-9:45 near classic finish. The judges will check boats and equipment after the race.

Course

Starting procedure:

- The Pre-starter will check the equipment (life-jacket, shoes, helmets, airbags)
- Each boat goes to the releasing point on the call of the pre-starter
- All boats will be released from starter after the countdown
- Countdown (5,4,3,2,1,0)

- **!!!! Startintervall**

Classic individual 1', break between categories 2'

Sprint individual heats 1', break between categories 3'

Sprint individual finals 1', break between categories 3'

All boats have to go directly from releasing point to the gate/beam without any stroke backwards or without any turn - otherwise the boat will be disqualified!

Starting positions Classic & Sprint

Right side 200 meters after prestart, after bridge look foto

Classic Start

Prestart: Boarding area

Start: whole river

Start lists

You can find all start lists, results, information on the event Whats app group.

BIBS

Bib distribution Individual Wednesday morning before the race 14 – 16 pm race office in **rail station**

Same Bibs will be used for Classic as for Sprint – please take care to don't lose the Bibs

The bibs must be returned at the end of the competitions to the race office

Results – Protest office – Inquiry – Protest fee

The results tables are near the finish line for classic races and near kayak center for sprint races.

Live timing:

The protest fee is Euro 75,--. The chief judge will accept a protest from a team manager **ONLY** upon receipt of a deposit of 75 Euros. The deposit is returned if the protest is upheld. If the protest is not upheld, or the team manager withdraws the protest, the deposit is forfeited to the organising committee of the competition.

Safety and rescue

According to the ICF rules, life jackets, helmet, shoes and airbags.

The rescue service will be placed on the sprint course and at the most demanding parts of the classic course during the competition.

Medical Service will be provided at the sprint course as well as at classic finish during the classic competition.

Doping Control

Please be prepared with passports or ID of all competitors for Doping control.
