<b>SUBJECT</b>	<b>TYPHOON HAGIBIS AND PRE-GAMES TRAINING SCHEDULE</b>
----------------	--

The Typhoon “Hagibis” will impact Japan and Tokyo in the coming days.

Due to the extreme conditions associated with this typhoon, Tokyo 2020 Organising Committee has informed the ICF that the first day of the Official Pre-Games training (Sunday 13<sup>th</sup> October) is cancelled and the training will start on Monday 14<sup>th</sup> October.

The Pre-Games Training schedule (period 1 and 2) is attached to this communication.

This schedule may still be amended depending on the weather forecast around the typhoon.

The official training schedule before NHK Cup and before the Test Event will be published by Friday 11<sup>st</sup> October.

With the current weather forecast information, we are confident that the NHK CUP and Test Events will be held in good conditions.

# CANOE SLALOM – TOKYO 2019 2019 NHK CUP TEST EVENTS

Tokyo 2020 and the Japan Canoe Federation may have to reinstall some temporary infrastructures after the Typhoon during the training session which may cause some downgraded NFs services during the first days of training.

Information from TOKYO 2020 concerning safety measures during the typhoon:

**Everybody arriving before October 13 must stay in their hotel during the typhoon and follow official information from local authorities and communication from TOKYO 2020.**

In case of flight cancellation and / or delayed:

- If you booked hotel and transportation services with TOKYO 2020, please inform the agency contact:
