LAST INFO

SZEGED, 16-18TH MAY, 2025

DEAR FRIENDS, DEAR PARTICIPANTS,

Only a few weeks to go, and we will meet again in Szeged for the 1st ICF Canoe Sprint World Cup of 2025!

It always fills us with pride and excitement to welcome the world's best athletes to the City of Sunshine. We are especially happy that the international racing season kicks off right here with us – and as of now, around 1000 participants from 40 countries are expected to take to the water during the World Cup. We are sure everyone will give their very best, so get ready for a truly thrilling competition!

The Host Organising Committee has been working hard behind the scenes for months already, because our shared goal is to write another world-class chapter in the legendary history of the Maty-ér Regatta Course.

On behalf of my colleagues, I can say we are ready for the start and cannot wait for the competition to begin on May 16. We warmly welcome you all to Szeged, and until then, we wish you all the best – and to the athletes, a smooth and injury-free preparation!

It is the participating National Federations' responsibility to provide the stickers to their athletes.

Athletes' name stickers have been modified in 2022 to match the re-formatted TV graphics. The last name is now placed after the initial of the first name.
