

Canoe Polo – World Games 2022

CANOE POLO – INFORMATION BULLETIN #3

I. TRAINING SCHEDULE & SCRUTINEERING

IMPORTANT: Teams will NOT be able to use the pond for the warming up as it was planned. The water quality is not good enough.

Instead, we have increased the time in between Games so more warming-up on the pitch. It also has extended the practise before to one small session on the pitch even on "jet-leg" day.

On the Jetlag day, each team has the possibility to train 30 minutes on a half pitch, due to lack of time, the pitch will be shared between two teams.

We are also working to provide indoor off-water warm-up area with goals on the floor.
