

ICF CANOE FREESTYLE COMMITTEE

Dear Athletes,

As previously explained in the Worlds Bulletin; following proposals from a number of National Federations, a rule change was passed by the congress and incorporated into the ICF Canoe Freestyle Competition Rules 2017.

Rule 2.4 now reads:

2.4 The organizing Federation pays for room and board for all Representatives of the ICF, nominated by the Chairman of the CFRC. Room, board, travel expenses and registration fee for official judges are paid from the event registration fee.

Due to this change, we are required to charge a supplement to all athletes registering for this year's World Championships.

This charge has been kept to an absolute minimum and only covers the judges essential travel expenses.

The supplemental fee has been set at \$91 U.S. currency, per athlete. This fee can be paid in advance by your National Federation or will be collected when each athlete registers for the event.

If your National Federation is paying this fee, please email your details to the address above so that we can raise an invoice for payment.

This fee must be paid prior to the start of competition.

Unfortunately credit and debit cards cannot be accepted.

I would like to thank you in advance for supporting these World Championships and wish you all the best of luck.

Kind Regards,

Lluis
