

# Val di Sole

## *Events*

Planning Wildwater Canoeing in Mezzana, Valley of  
the Sun, Italy

# Necessary Documents to host events

- Step 1 - Authorization from the province (Trento)
- Fill out a risk assessment matrix (RAM) or DVR in Italy
- This RAM includes
  - Maps
  - All risks (on and off water)
  - Safety (included later slide)
- Step 2 – Authorization form hydraulic engineer of DVR
- Step 3 – Safety Manager and Lead of rescue authorization of DVR

# Agreements with Institutions

- Local municipality
- Mayor
- Municipal administration
- Electricity company
- Water level management
- Local tourism specifically Rafting companies
- (create a timetable for training with rafting companies approval)

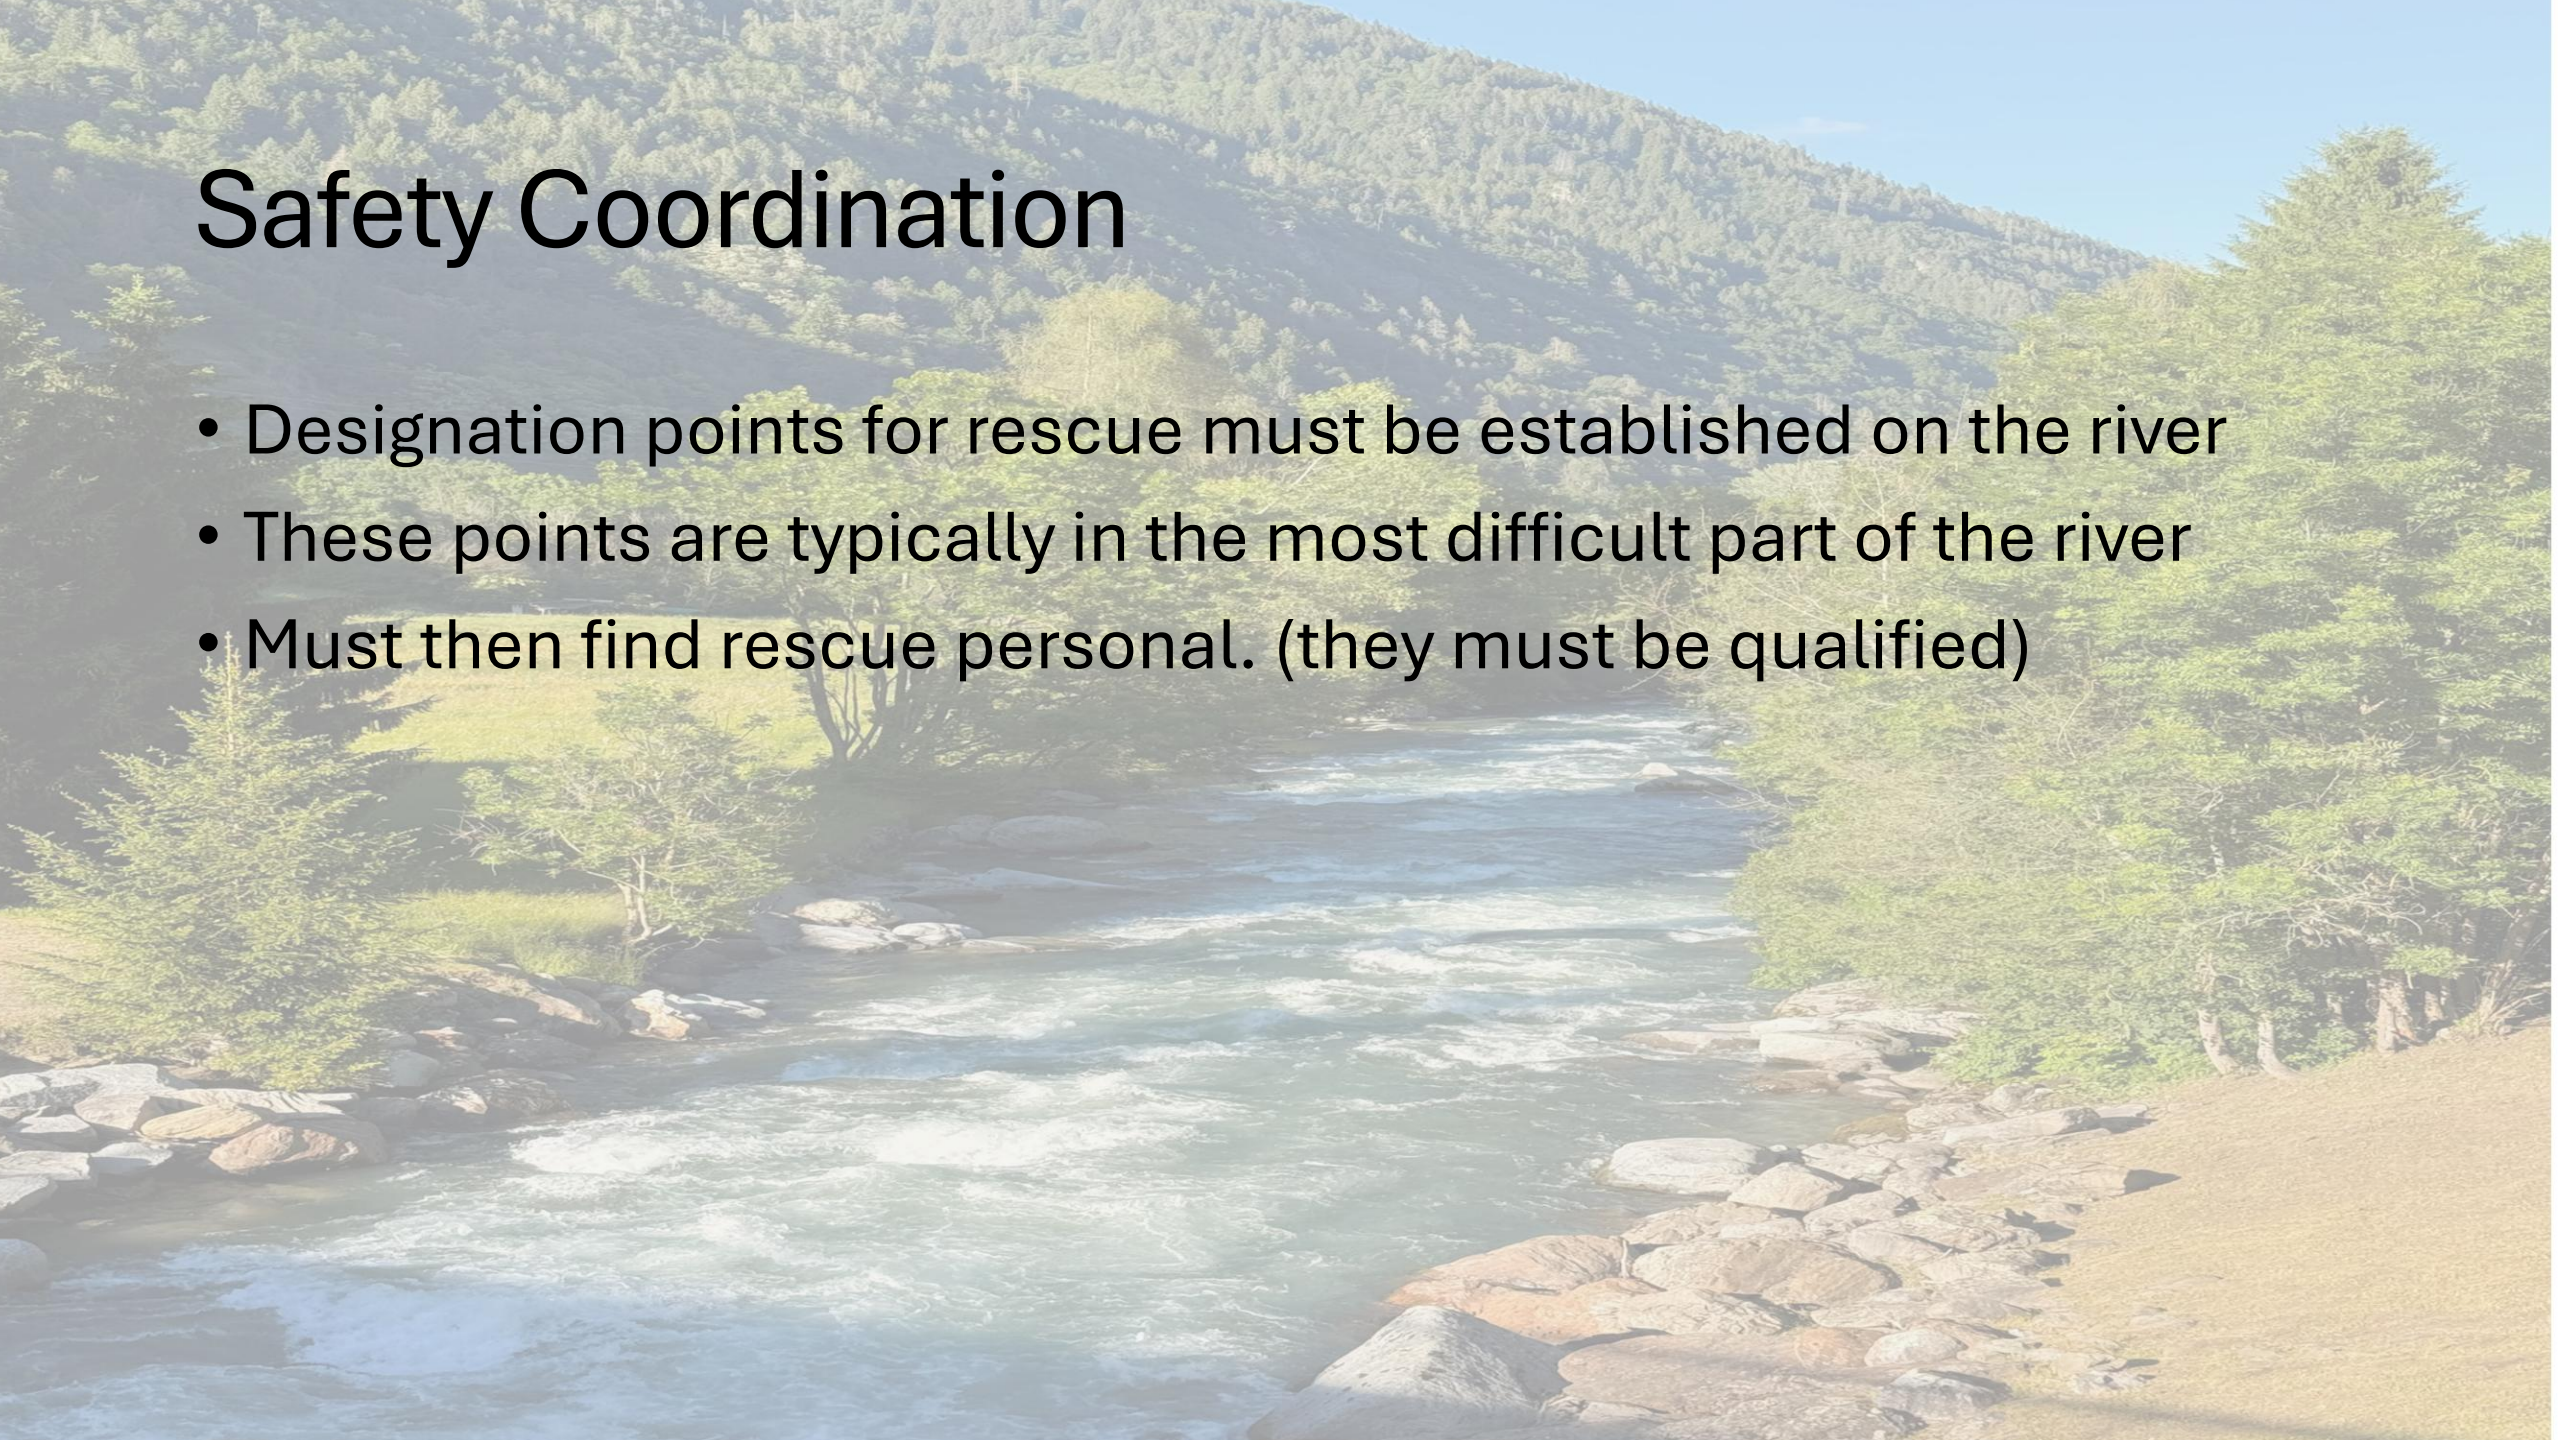

# Works to the Noce River

- Every year the river receives torrential rain which creates flooding, meaning rocks etc. get moved
- Due to this works must be carried out in certain sections so that wildwater boats can navigate the course relatively unharmed.
- Step 1. Get permits to access the river with excavators
- Step 2 Find a contractor that can carry out the works
- Step 3 Discuss with sport fishing association in regard to the changes being made → get approval

# Safety Coordination

- Designation points for rescue must be established on the river
- These points are typically in the most difficult part of the river
- Must then find rescue personal. (they must be qualified)

# Recruiting Volunteers

- Step 1 → Organization of secretary who is responsible for looking after the following.
- Organization of the ceremonies including
  - Opening ceremony, Medal ceremony, closing ceremony
- What to set up at the Noce park (stage, food etc)
- Athlete pack
- Organization and coordination of all volunteer roles including all specific tasks
- Every volunteer will have a specific role for the event.

# OBLIGATORY SERVICES

- on site during the event must include the following
- Health services (Ambulance and Doctor)
- Official race judges
- Official timekeepers
- Media services (TV services RAI)
